^ Appointed 18 March 2026 to fill casual vacancies

KENSINGTON DISTRICT CRICKET CLUB INC

MINUTES OF THE ANNUAL GENERAL MEETING HELD AT THE CLUBROOMS ON THURSDAY 16 OCTOBER 2025 AT 8.00PM

1. **PRESENT**

T Bedford, A Woodcock, Ms I Redmond, A Rice, J Matchett, A Chapman, D Schramm, R Thompson, Ms J Lowe, J Panelli, D Matthews, M Opie, Ms S Lowe, D Burgess, Greg Slack, A Faulkner, A Rogers, J Hill, N Moschetta, G Chapman, M Davies, J Doyle, W Rice, C Fatchen, M Kelly, J Temme, T Harper, J Singh, R Percival, C Leddicoat, D McRostie, M George, N Murphy, H Dall, H Burgess, M Cesaro, J Brown, M Neagle, A Rumbelow, Ms A Davies, A O'Brien, G Wright, D Lovell, S Parkinson and Ms J Parkinson.

2. **APOLOGIES**

P Henderson, A Heitmann, Ms A Dolling, M Sullivan, S Turner and Gary Slack.

3. **MINUTES**

In accordance with Item 9.2 of the Minutes of the Annual General Meeting held on 21 November 2024, the minutes of that meeting were confirmed as a correct record of that meeting at a meeting of the General Committee held on 18 December 2024.

4. **ANNUAL REPORT**

4.1 The President, Mr Bedford, noted that the Annual Report, the Financial Statements and Audit Report had been published on the Club's website.

4.2 The President tabled the electronic copy of the Annual Report and Financial Statements for the 2024/25 season. In doing so, the President mentioned the following matters:-

- 4.2.1 Various aspects included in his President's Report in the Annual Report.
- 4.2.2 The coming year is anticipated to be a difficult one for the Club, given the redevelopment of the clubrooms and the consequential loss of the use of Parkinson Oval and Club facilities.
- 4.2.3 This will probably be the last annual general meeting of the Club to be held in the existing clubrooms.
- 4.2.4 There are plans to maximise commercial activities in the new clubrooms.
- 4.2.5 Thanks are due to Andrew Rumbelow and Andrew Faulkner for their efforts in coordinating the Club's Over 50s teams.
- 4.2.6 Thanks are also due to all Club coaches, and to 1st Grade captains Sarah Lowe and Josh Doyle, for their work and contributions in the past year, and to Cameron Fatchen and other players for their contribution to the Club's social media communications and content.
- 4.2.7 The new Club database, which will facilitate communication with members.
- 4.2.8 Members are encouraged to communicate with the Club's Committee of Management about any issues of concern and with suggestions for improvements.

4.3 The Honorary Treasurer, Mr David Burgess, mentioned the following points regarding the Financial Statements:-

- 4.3.1 The Club incurred an operational loss of about $9,500.00, but this result was considerably improved by the amount of prize money won by the Club this year.
- 4.3.2 The Club's aim is just to get through the coming year as well as possible.

4.3.3 More volunteers are needed in order to reduce the cost of the Club's operations.

4.4 It was proposed by the Treasurer that the Annual Report and the Financial Statements be adopted. Mr Schramm seconded the motion. The motion was passed.

5. **SUBSCRIPTIONS**

The Treasurer reported that, in accordance with the Club's constitution, the General Committee had recommended the adoption of subscriptions for the 2025/26 season. The Treasurer reported that the following subscriptions for the 2025/26 season had been recommended, and explained the details:-

Male Players:-

Seniors	$675.00 (unchanged)
Unemployed and students	$600.00 (unchanged)
SACA U18 competition only (full competition)	$195.00 (unchanged)
SACA U18 competition only (week 1 only)	$150.00 (new)
SACA U18 competition only (week 2 only)	$100.00 (new)
SACA U17 competition only	$275.00 (unchanged)
SACA U17 and senior competitions (latter likely each week)	$275.00 + $495.00 (unchanged)
SACA U17 and senior competitions (latter only in school holidays)	$275.00 + $295.00 (unchanged)
SACA U17 and senior competitions (latter only as occasional fill-in)	$275.00 + $100.00 (unchanged)
SACA U15.5, U14 and U13	$450.00 (unchanged)
KDCC Boys' Academy	$385.00 (unchanged)
ATCA T20 competition (cost of competition)	$30.00 per match (new)
Match fees for extra matches for Academy/juniors	
T20 matches	$15.00 per match (new)
30 over matches	$20.00 per match (new)
40 over matches	$25.00 per match (new)
50 over matches	$30.00 per match (new)

Female Players:-

Seniors	$550.00 (an increase of $75.00)
Juniors, unemployed and students	$475.00 (an increase of $65.00)
U18 competition only	$100.00 (an increase of $25.00)
U15 competition only	$75.00 (unchanged)
KDCC Academy	$300.00 (unchanged)
ATCA competition (cost of competition)	$30.00 per match (new)

Centurion Club members	$150.00 (unchanged)
Maidens' Club members	$50.00 (unchanged)
Community/Oval members	$50.00 (unchanged)
SAVCA players (in addition to general fundraising)	$150.00 (new)

Non-regular SAVCA players $25.00 per match (unchanged)

The Treasurer moved that the proposed subscriptions be adopted. Mr Fatchen seconded the motion.

The motion, that the subscriptions for the 2025/26 season be as noted above, was passed.

6. **ELECTION OF OFFICE BEARERS**

The President noted that the Club's constitution requires that the Committee of Management make recommendations for the nomination of those persons to be elected to the positions of Patron and Vice-Patron of the Club at the Annual General Meeting. The President reported that, at a meeting of the Committee of Management held on 17 September 2025, the Committee had recommended that Mr A J Woodcock be nominated for the position of Patron. The President further reported that, at the meeting of the Committee of Management held on 17 September 2025, the Committee had recommended that Mr J T Hill be nominated for the position of Vice-Patron.

The motions for the election of Mr A J Woodcock as Patron of the Club, and Mr J T Hill as Vice-Patron of the Club, were moved by the President, and seconded by the Honorary Secretary, Mr A Rice.

The motions were passed.

The President handed chairmanship of the meeting to the Honorary Secretary. Mr Rice reported to the meeting that there was one nomination for the position of President, namely Mr T P Bedford. Mr Rice therefore declared that Mr Bedford had been duly elected to the position of President. Mr Rice returned chairmanship of the meeting to the President.

The following, having nominated for their respective positions, were elected unopposed:-

Vice-Presidents:	Mr H G P Chapman Mr P R Henderson Mr M Opie Ms I M Redmond Mr S C (Sean) Rahaley Mr A S Rumbelow Mr D J Schramm Mr G B (Gary) Slack Mr R Sparrow
Secretary:	Mr A D Rice
Treasurer:	Mr D R Burgess
Co-ordinator of Men's Cricket:	Mr A W O'Brien
Co-ordinator of Women's Cricket:	Ms A J J Dolling
Co-ordinator of Junior Cricket:	Mr D F Grice
General Committee:	Mr M Davies Mr C A Fatchen Mr D M K Grant Mr M J Neagle Mr M V Sullivan

The President noted that the Club's Constitution allows for the election of up to ten Vice-Presidents and that, as recorded above, nine nominations for the position of Vice-President of the Club had been received. Pursuant to the Club's Constitution, the Committee of Management will use its power to fill casual vacancies in order to deal with the appointment of an additional Vice-President.

The President noted that Jane Lowe had not re-nominated for the position of Co-Ordinator of Women's Cricket for the coming year. The President acknowledged Jane's many years of service on the Committee of Management and thanked her for all that she had done for the Club and for the Committee, noting also that the Club was fortunate in that Jane would still continue her work for the Club (albeit in an unofficial capacity).

The President noted that Darren Matthews had not re-nominated for a position as a General Committee member for the coming year. The President thanked Darren for his work for the Club, while noting that Darren would continue to be involved with the Club's IT systems and associated aspects of the Club's operations.

The President also thanked Michael Davies, Cameron Fatchen, David Grant, Michael Sullivan, and others such as Peter Henderson, for all their work for the Club in the past year.

The President welcomed Ms Dolling and Mr Neagle to the Committee.

7. **ELECTION OF HONORARY AUDITOR**

The Honorary Treasurer moved that Mr R Florence be appointed Auditor of the Club for the 2025/26 financial year. Ms J Lowe seconded the motion. In moving the motion, the Honorary Treasurer reported that Mr Florence had indicated his willingness to be appointed.

The motion was passed.

8. **NOMINATION OF LIFE MEMBER**

8.1 Ms Isobel Redmond and Mr Michael Davies spoke in support of a motion for election of a nominee as a life member of the Club.

8.2 Ms Redmond spoke first about a number of matters relating to the nominee, including the following:-

- the nominee, having been born in Scotland, moved to Adelaide with his family while he was young;
- he studied Law at the University of Adelaide and practised as a lawyer from 1971 to 1988, when he was appointed a judge;
- he served as a judge in various jurisdictions from 1988 until his statutory retirement in 2017;
- he always involved himself in helping to raise the standards of legal practitioners and judges and in mentoring young legal practitioners and has, for many years, involved himself in work for the indigenous people of South Australia; and
- most recently, he has taken on the role of Presiding Member of the Commonwealth Veterans' Review Board, tackling the many thousands of cases awaiting decision.

8.2 Mr Davies then spoke about other matters relating to the nominee, including the following:-

- the nominee became a member of the Club's Committee of Management before the 1991/92 season, assuming a specially-created grounds and

equipment portfolio when Burnside Council ceased preparing pitches following its adoption of a "user pays" policy;

- in the 1992/93 season, when SACA allocated country zones to Grade clubs, he led the Club's recruiting drive in our allocated zone (in the south east of the State), encouraging several young players to play for the Club (and billeting some of them at his home) – such players included Jason Morgan, Justin Creek and Michael Silvy, all of whom played A Grade cricket for the Club;
- he was elected president of the Club at the annual general meeting held before the 1994/95 season and served in that position until the annual general meeting following the 1997/98 season, after which he remained a member of the Management Committee for another two years;
- during the term of his presidency, he oversaw the biggest capital program in the Club's then recent history, with the replacement of the centre wicket square on Parkinson Oval and the laying of the new turf practice wickets on Burnell Oval;
- his vision, involving these new facilities and the expectation of a return to A Grade finals cricket, culminated in the Club winning the A Grade premiership in the 1996/97 season, its first such premiership since 1985/86; and
- he was the first person to call (in an annual report) for the Club to field a women's team.

8.3 Ms Redmond spoke again, mentioning the following matters:-

- in about 2016, the nominee was asked to form a committee, comprising representatives from the Club and from Burnside Rugby Club, to address the need for new clubrooms and changerooms for both clubs;
- initially, he managed to persuade a leading architectural firm to prepare concept plans at no cost to the clubs;
- over the next few years, he was the major participant in meetings with the Mayor, Councillors and staff of Burnside Council to advance the project, culminating in the meeting in 2020 at which the Council approved a grant of $2M for the redevelopment;
- following that success, he was instrumental in successfully shepherding two further funding grant applications through government departments - first an application for a grant of $2.67M through the South Australian Department for Sport and Recreation, and then an application for a grant of $3.3M through the Commonwealth Department of Sport, in each case involving meetings with departmental officers as well as lobbying parliamentarians at each level of government;
- he was forced to repeat part of his work when, as a result of the change of government following the Federal election in May 2025, the clubs were required to re-apply for the Federal grant of $3.3M – fortunately, and thanks in no small part to the efforts of the nominee in preparing the new submission, the application was again successful; and
- Ms Redmond expressed her view that without the nominee's enormous and unceasing work and efforts over many years, the redevelopment of the clubrooms and changerooms would not be proceeding.

8.4 Mr Davies moved that the nominee, Mr Peter McCusker, be elected a life member of the Club. Ms Redmond seconded the motion.

The President noted that the Club's Committee of Management had strongly endorsed this motion.

The motion was passed unanimously.

8.5 The President noted that Mr McCusker was not able to attend this annual general meeting due to his current ill-health, and that a formal presentation of life membership

would be made to Mr McCusker later in the season at a time when his health would allow him to be present in person at the Club.

8.6 Mr Rumbelow, who was the senior men's coach during the term of Mr McCusker's presidency, spoke of his appreciation for the support which Mr McCusker gave him as coach.

9. GENERAL BUSINESS

9.1 The Secretary moved that the Club's Committee of Management be constituted a sub-committee of the Annual General Meeting for the purpose of resolving that the minutes of this Annual General Meeting be confirmed as a true and correct record of the meeting. Ms J Lowe seconded the motion. The motion was passed.

9.2 The President announced that the Club had commissioned some new honour boards. it was proposed that some of the new boards be unveiled at this annual general meeting, and that the remaining new boards (which record the history of women's cricket at the Club) will be unveiled at a separate function to be held soon.

The Honorary Secretary indicated that one of the new boards recorded the Club's winners of the Bradman Medal and the Karen Rolton Medal. Invitations, to attend the unveiling at this annual general meeting, had been sent to medal winners (or, in the case of Brian Hurn, who died some years ago, to members of his family) whose names are recorded on this new board. Mr Rice noted the presence at the meeting of medal winners Sarah Lowe, Jake Brown, David Lovell and Sam Parkinson, and expressed the meeting's gratitude to Janet Parkinson for enabling Sam to attend. Mr Rice reported that he had received an apology from Peter Brinsley for his inability to attend (he is in Melbourne), and that he had received apologies from William Hurn (son of Brian) and Ashton Hurn MP (grand-daughter of Brian), both of whom were unable to attend due to work commitments.

The President invited Jane Lowe to unveil three new honour boards – the board recording the medal winners, an additional board recording recent Club life members and another additional board recording recent Consistency Trophy winners. Jane unveiled the three boards (speaking of the honour of being asked to do), and photographs were taken of the medal winner, who were present at the meeting, standing in front of the new board recording the medal winners.

9.3 Mr Davies provided an update about the forthcoming redevelopment of the clubrooms. In particular, Mr Davies mentioned that Burnside Council had recently published the formal Notice of Development Application for the redevelopment, and that the closing date for submissions was 28 October 2025. Mr Davies encouraged members to submit a response, supporting the application, to the Council. Mr Opie emphasised the importance of members taking that action.

10. MEETING CLOSURE

There being no further business, the President closed the meeting at 8.55pm.

PRESIDENT'S REPORT

The 2025/26 season was again a year of further progress and achievement for Kensington. Building on our proud foundations laid over a century of seasons, we have made tangible strides in several key areas critical to the Club's future, although for the next twelve months we will not have clubrooms to discuss that future! But that is progress in itself, and we'll come to that shortly.

The Committee has continued to evolve, with new faces bringing fresh energy and ideas and older ones taking on new responsibilities:-

- David Grant has moved to Sydney and Michael Davies has taken on the portfolio of sponsorship and marketing, although we will all be contributing to this huge area of growth potential for Kensington.
- Alex Dolling's role continues to grow and, along with the excellent work she is doing with coordination of our women's group, Alex is taking on further responsibility by looking after our clothing and merchandise lines.
- Amy Davies joins the Committee and provides us serious horsepower and knowledge for the backroom management of our documentation, website and systems, and this is in addition to Amy being the manager for our all-conquering women's 1st Grade team.
- Matt Neagle has replaced David Grice as our junior boys' coordinator, which adds to his workload, but this is very welcome and hopefully both David Burgess and I can assist him with our previous experience in the role.

A special moment for the Club and for women's cricket was the unveiling of the Jane Lowe Honour Board celebrating the achievements of our greatest female players over the entire life of women's cricket here at Kensington.

I'd like to again express my gratitude to all members of the Committee, our vice-presidents, our tireless volunteers and our broader Kensington family. The day-to-day operations of the Club - from managing PlayHQ, registrations, clubroom builds, SACA administration compliance, bar duties and clothing to financials, grants, and facilities - rely heavily on the dedication of these individuals. Your commitment ensures that Kensington remains a well-run and proud Club.

A special mention must also go to our newest life member, Peter McCusker. Congratulations Peter on a very well-deserved honour.

I think it is also worth giving both Michael Sullivan and Megan Maualaivao a huge shout-out for the magnificent work done last season in stocking and managing the bar and Thursday evening dinners! Thank you.

And so, the "Reg" is no more 😕, but we will soon have new clubrooms to replace it 😊. After many years and hours of effort by many, our clubrooms have finally been demolished and new ones will take their place. By the end of next season, we will have brand new state-of-the-art clubrooms, which we will be able to use to host events and to welcome key sponsors, supporters and members old and new.

Before we celebrate our achievements for last season, I'd like to thank our main Club sponsors for their ongoing support:-

Northline **The Kensington Hotel**

Nelson Teamwear **URPS**

InFocus **MGA**

And, of course, all of our individual Player Sponsors, without whose contribution we would not be able to maintain the success we achieve!

Cricketing achievements

Whilst there have been numerous individual honours across men's, women's and junior teams this season, including representative honours, I'll leave the call-outs to those who have been instrumental in that success - the coaches. However, this season has been particularly successful on-field across multiple grades and formats:-

- men's 1st Grade two-day competition - winners
- men's 1st Grade T20 competition - winners
- women's 1st Grade T20 competition - winners
- women's 1st Grade one day competition - runners-up
- women's 2nd Grade T20 competition - winners
- women's 2nd Grade one day competition - winners
- U14 boys - premiership winners
- U15.5 boys - premiership runners-up

Congratulations to all players, coaches, and support staff involved in these outstanding team achievements.

Individual achievements

- women's Brown Jacket - Shae Daly / Sarah Lowe / Eliza Doddridge
- men's Brown Jacket - Cameron Fatchen
- Keith Hodder Memorial Trophy - Michael Davies
- Fred Godson Medal - Harry Matthias
- Karen Rolton Medal - Sarah Lowe (back-to-back)
- Shelley Nitschke Medal - Eliza Doddridge
- KC Butler Medal - Shiv Channa

Congratulations to all of our worthy winners - another exceptional season.

Key focus areas and progress

"As with everything we do at Kensington, the focus is always on cricket. We are a premier club with an exceptional pedigree and well placed to enjoy further success. However, successful clubs need to be well run. With this in mind, the backroom activity to support the Club's success is being carefully planned and the following areas are a key focus".

The above words were from our annual report from last season. The words are still as important today as they were twelve months ago, in fact even more so. The additional pressures generated by the ongoing cost of living crisis are just as relevant to Kensington as they are to us as individuals. In fact, probably even more so, as we strive to ensure that we run more efficiently. We will reduce our costs where we can and hold our registration fees for a second season, but we have to be astute and manage our income and spend carefully.

Financial management

We now have detailed cost structures for each area of operation, and budgets are drafted, reviewed and reported against so we know where we stand. David Burgess has worked tirelessly to bring our finance data together and each area of cricket monitors its costs and income, allowing the Club to make informed decisions on budgets and strategic spending.

I'd like to also thank Alex Dolling, Aaron O'Brien and Matt Neagle for helping to pull together budgets last season and to assist with understanding and managing our cricket finances and the creation of those cricket budgets, which enables us to have more control of and contribution to our financial wellbeing.

Clubroom development and infrastructure

At times we thought it would never happen, but the clubrooms are now gone - the "Reg" now consigned to rubble and twisted metal, but soon to be replaced by our shiny new home!

Significant work has been focused on to make this event real, and the planning and execution of all of this has been down to Michael Davies' exceptional dedication, from managing the communications and documentation with Burnside Council to organising storage of memorabilia and equipment.

We do have a focus on how we operate, as we will have to share the one facility with Burnside Rugby Union Football Club. Gone are the days where we could just rock up and use our clubrooms, as we will need to carefully plan their use. An operational agreement will be in place soon, and we'll communicate to the Club on how that works in due course.

We have not just our new clubrooms but also the replacement of the Parkinson Oval centre square, so not only will we have new clubrooms to enjoy but also a lovely new square to play our cricket on. Thanks must go to Jake Brown for his help in coordinating the work with Michael Davies and coordinating the ongoing preparation of the wicket block as it beds in ready for next season

Vice-presidents and fundraising

Sean Rahaley and Daryl Schramm continue to lead our vice-presidents with exceptional leadership and their tireless undertaking to refresh our vice-presidents' group and how they operate effectively and efficiently. Their proposal for a brand new "Baggy Brown Foundation" will bring a new era of major fund-raising to the Club and a very active vice-presidential group. The establishment of this Foundation will coincide with the opening of our new clubrooms and the opportunities that come along with this new chapter in our Club's history, and has the full support of the Committee. I would also like to thank Gary Slack for his service as a vice-president, Gary having recently stepped down from this role.

It is a sad note to mourn the loss of David Harford, a former vice-president, supporter and sponsor of Kensington, who sadly passed away in early June.

Veterans and Over 50s cricket

Kensington fielded two Over 50s teams in Divisions 1 and 2 last season, showcasing the Club's depth and ongoing commitment to veterans' cricket. This remains a vital and growing part of the Club's culture, allowing past players to return to play for Kensington and for new members to become proud Browns. Thank you to the tireless efforts of Andrew Rumbelow and Andrew Faulkner for their organisational and fundraising skills, and we look forward to supporting our veterans again next season.

Membership database and communications

The membership database project has been successfully implemented, and we will continue to grow our member base over the coming seasons. General maintenance of membership updates is being coordinated by Daryl Schramm. We all need to play our part and ensure that all of our members are recorded in our membership database, so that updates can be sent and received, especially around Oval, Maidens', Past Players' and Centurion membership. We will send out regular communications

by email and ensure that access to the membership database (if you are not getting regular email updates) can be managed through a members' update page on the website.

I know that Amy Davies is looking forward to taking on the website challenge and, with Matt Neagle, managing our communications. I for one look forward to teaming up with Michael "Sully" Sullivan every few weeks to bring you our Kensington podcast with news, information and special guests to bring you up to speed on all things relating to the Club.

Compliance and governance

Working with Children compliance is now in excellent shape, thanks to the efforts of Esther Sterk. Our compliance metrics are in safe hands.

Sponsorship and marketing

With an eye on the opportunities presented by the new clubrooms, a refreshed Marketing and Sponsorship Plan has been developed by Michael Davies, and we are now in a position to approach key commercial partners and sponsors for those businesses to be associated with the premier cricket brand in Adelaide. If you are part of a business which would like to partner with Kensington and have access to some of the best facilities and players in South Australian cricket, please get in touch - we are waiting for your call.

Season 2026/27 and beyond

The work done in 2025/26 has laid a strong foundation for the years ahead. Next season's priorities include:-

- Planning our season without clubrooms.
- Transitioning smoothly into the new clubrooms at season's end.
- Finalising our operation agreement with Burnside Rugby Union Football Club.
- Rolling out our vice-presidents' new Baggy Brown Foundation.
- Increasing our marketing capability to allow us to expand and to strengthen our commercial partnerships in support of our premier cricket.
- Building on recent on-field successes to maintain our status as a premier cricket club in South Australia.
- Further developing our social and fundraising activities, particularly through the active involvement of our vice-presidents, veterans and past player networks.
- Exploring overseas partnerships, particularly with clubs in the UK and Ireland, to establish reciprocal player development opportunities.

In conclusion, while financial challenges remain, our collective efforts over the past twelve months have placed Kensington on a firm path forward. Our culture, facilities, people, and strategic focus, especially with the opportunities presented by our new clubrooms, will ensure we are poised for sustained success both on and off the field once we take the keys for the new clubrooms.

Thank you to everyone for your unwavering support.

Tony Bedford

MEN'S CRICKET

SENIOR COACH'S REPORT

A season decided on the final ball - one moment that captured the resilience, belief and unity of this group, and defined one of the most memorable years in our Club's history since last year!

The women's program once again set the benchmark across the competition on and off the field, highlighted by a T20 premiership and another strong season of sustained success. The program continues to operate as a powerhouse built on professionalism, connection and high standards. Jamie Panelli steps away from his coaching role after playing an important role over a sustained period in shaping the direction and consistency of the program. Under Sarah Lowe's leadership, the group has continued to thrive, with her record-breaking fourth Karen Rolton Medal reflecting her ongoing impact and consistency.

The men's program delivered one of the most memorable seasons in recent history, highlighted by a dramatic two day premiership win in a final-ball finish, alongside a T20 premiership achieved with a settled and high quality squad. Individual recognition followed, with Lloyd Pope winning the David Hookes Medal for the player of the match in the two day grand final, and Alex Ross winning the Player of the Match Medal for the T20 grand final to cap outstanding days.

Across the season, Cameron Fatchen led the competition in wickets and earned Team of the Year selection, setting the standard with consistent, selfless performances, while Josh Doyle was also named captain of the Team of the Year. His leadership and decision-making played a defining role across the season, particularly in the final rounds that helped secure the minor premiership and ultimately the Club's 20th A/1st Grade premiership.

We were also pleased to welcome Harry Matthias from Sturt. Harry made an immediate and significant impact in his first season at the Club, earning One Day Cup Player of the Competition honours and contributing strongly across both grand final victories.

The season was underpinned by a strong squad mentality, with players consistently stepping into roles and prioritising team success. At representative level, our contracted players - Henry Hunt, Lloyd Pope, Henry Thornton, Jake Lehmann, Jason Sangha, and Wes Agar - again contributed strongly to another successful Sheffield Shield campaign, continuing to elevate standards across the Club.

The Club's junior pathway continues to thrive, with U19 representatives Jay Temme, Archah Parisi, Taite Brook, and Ryan Percival part of a National Championship-winning squad. At U17 level, Taite Brook, Archah Parisi, Rayan Bihari, and Taj Panelli represented South Australia, reflecting the ongoing strength of our emerging talent.

The 2nd and 3rd Grade teams both reached semi-finals, the U17s competed strongly in finals, and 4th Grade finished the season strongly under Matt Hopkins. I acknowledge all captains across the Club, including Will Rice, Fred McClure, Matt Hopkins, and Josh Doyle, whose leadership is central to weekly performance and standards.

The coaching group and support staff continue to play a key role in the consistency of the program. I acknowledge Shaun Seigert, Barry Steele, Anthony McDonald, Gary Wright, Aaron O'Brien, and Matt Cesaro, whose leadership of the development program remains vital. Our scorers and support staff, including Anthony Rogers, Nick Moschetta, and Tommy Woodcock, provide essential consistency across the season.

Special recognition is given to Nick Moschetta, whose reliability and attention to detail ensure high standards across training and match days, while Mark Firth's character, time, and infectious enthusiasm continue to set a benchmark across the Club.

It has been great to see the Club facility redevelopment get under way this season, led by the Committee and Michael Davies. While early stages have presented challenges, the long-term outcome will be a first-class facility for the Club.

Looking ahead, the focus remains clear - continued commitment to the Club, strong involvement from all players, and maintaining high standards on and off the field. If this approach continues to be maintained and built upon, it will ensure the Club retains its position as Australia's leading Premier Cricket club.

Thank you again for the opportunity to coach and work with such committed players, coaches, committee and supporters, and to be part of a great Club.

Russell Thompson

DEVELOPMENT SQUAD COACH'S REPORT

This season, we aimed to further strengthen and consolidate our development pathway by increasing the number of young players gaining senior opportunities and the second season of our U17s integrating into the senior program. This is always balanced with the ongoing challenges of fluctuating numbers and school player availability. It takes a significant effort across the Club.

Player development highlights

Our Development Squad is committed to balancing player growth with on-field success. This season, for our youngest group of players in seniors (our U17s), two played as high as 1st Grade, another six played in the 2nd Grade, nine in the 3rd Grade and seven in the 4th Grade. So we had 24 players in our youngest age group gaining more senior experience. Last year that was 20 and the season before it was 12. So the player representation, and also the games of experience gained, have both effectively doubled over the past two seasons.

As we say as coaches, the goal is not to be selected in a team; the goal is to perform to a level that you win games for that team. We saw no better example of that than watching a 16 year-old play a match winning innings in the 1st Grade grand final.

It was also pleasing to see an even higher number of our younger members selected in pathway squads and teams. We want to give every player their best opportunity to play as high as they can.

It is important to remember that it's not just about the younger end of the squad. There is a number of players in the 19+ age bracket pushing for opportunities, showing up, doing the work themselves to get better and supporting others in the process.

Team performance summary

From a performance perspective (collectively):-

- 3rd Grade had a disappointing semi-final loss after a strong season
- 4th Grade won exactly 50% of games, was competitive and finished mid-table
- U18s had a semi-final loss after being undefeated (same as last season)
- U17s had a semi-final loss after another strong season (same as last season).

So we're doing a great job of reaching semi-finals and learning how to be resilient after a loss. Overall, it shows a level of consistency and competitiveness in our team performances despite many challenges with consistent player availability.

Acknowledgements

Thank you once again to our captains and other on-field leaders who step up and play a critical role in how we balance development and performance. Our senior coaching group, including specialist coaches, also play an important role in this development. As a coaching group, we're proud of the ongoing progress made in embedding young talent into the heart of KDCC's future.

Matt Cesaro
Development Coach

CAPTAINS' REPORTS

1st GRADE

The 2025/26 season was an amazing season for the 1st Grade team. We made all three grand finals for the second year in a row, again winning two competitions and having so many contributions along the way across all formats, which is what makes this Club and group of lads so special.

In the T20 competition, we snuck into fourth place and beat East Torrens in the semi-final to set up a grand final at Adelaide Oval against West Torrens. With an unbeaten 130 run partnership by Alex Ross and Jake Lehmann, followed by an all-round bowling and fielding performance, we went on to win by 15 runs. Thios was a game where we had to fight back to gain momentum multiple times, and we held our nerve in big moments to win our first T20 flag in 20 years. With the 1st Grade women's team winning too, this was a massive day and celebration for our great Club. In one of our last nights in the "Reg", it was fitting that we were able to send it off with two more flags.

We fell well short in the One Day Cup competition, played off the park in the grand final by West Torrens. The semi-final of this competition gave us one of our best wins of the season, traveling down to Port Adelaide with a young group and getting the win against a strong side. Harry Matthias, who was named as the One Day Cup competition player of the year, fitted seamlessly into our group this season and played some crucial knocks across all formats.

Pre-Christmas, in the red ball competition, we were flying – five wins from five matches, two months straight at Parkinson Oval, Cam Fatchen already had about 80 wickets, and it felt like everyone was in some form. Post-Christmas it was a bit of a different story – four straight losses and, heading into the last round, we needed a win just to make finals. We won our last game outright at Woodville, on the back of another six-wicket haul by Cam to top off an incredible season, a maiden 50 to Jaikar Singh and Seb McVann taking a hat trick. With other results also falling our way, we regained top spot.

A home away from home semi-final at Woodville Oval against Port Adelaide led to one of our best batting performances of the season. Henry Dall, Robbie White and Sam Rahaley all scored 75 plus, and we batted our 100 overs to get 340. Port Adelaide gave it a red hot crack in the chase, but again we held our nerve to book our spot in the grand final against Adelaide.

Adelaide took the game to us from ball one in the grand final, and we knew that we were in for a proper game of cricket. They were off to a flyer, but we slowly fought our way back into the game on the back of David Hookes Medallist Lloyd Pope, who took four wickets. One of Lloyd's wickets came when, after he had received some advice prior to bowling the ball, he flipped off the Adelaide crowd and bowled an elite wrong'un which clipped the off stump – cue the carry-on.

We bowled Adelaide out for 293, and it was game on. Harry Matthias and Henry Dall put on over 100 for the second wicket, but from there on we lost wickets throughout the second day to leave ourselves 7/219 with 22 overs left in the day. In stepped two youngsters, Jaikar Singh and Ryan Percival. These two lads were simply unbelievable under huge pressure in what turned out to be one of the great partnerships for our Club. They put on 71, continuing to absorb pressure but also continuing to score to keep the target within reach. With two overs to go and needing four runs to win, we were nearly home. Perc gets done by a long ball and, into the last over and with four balls to go, 16 year-old Jaikar does his best Shannon Gabriel impression and holes out going for glory.

Up steps Seb McVann – two wrong'uns down leg side, which he didn't have to play, then the most glorious block of his life, and we had batted out 104 overs for a draw to go back to back. It was a game and a season that we can be so proud of – the ups and downs of not only the grand final, but of our whole season, and having to fight our way our way through it all to the very last ball on grand final day.

If we are to win a three-peat, can we please do it a bit more easily, as the last two grand finals have been nothing short of ridiculous!

Thank you so much to Russell Thompson, Mark Firth, Gary Wright and Buck Rogers for all their efforts and dedication on game days. These guys bring so much to our group and to the culture of our Club. All, in their way, help us to prepare and to put our best foot forward to perform in each training and in each game.

Josh Doyle

2nd GRADE

Having disappointingly missed finals in 2024/25, this season was aimed around redemption and a return to finals for the men's 2nd Grade team. With Matt Cesaro joining us as match day coach, opening bowler Jay Singh coming over from England and a talented, eager crew of youngsters with an established senior core, all appeared ready to achieve this goal.

The first half of the season before the Christmas break was very stop-start for the team, and we finished with a three win, two loss record with one washout and having our bye. The wins included comfortable, dominant wins over Southern District and Adelaide University, and a last-gasp "snatching victory from the jaws of defeat" win against Prospect, whilst we experienced a two-run loss to Adelaide and were outclassed by Port Adelaide. Darcy McRostie's 157 against Southern District was the standout performance of this period, and Shiv Channa continued his fantastic form from the previous season with both bat and ball.

The T20 competition, despite playing only three games, was again a great opportunity to give different players an opportunity in the 2nd Grade and for players to have different roles. We finished third in this competition, but we were unable to play finals, as it is a straight grand final between the top two sides. Young guns Archah Parisi and Taite Brook were the standouts in this competition with the bat, whilst young quick Jesse Laing performed best with the ball. This competition is a great way for all players to gain exposure and experience in the T20 format prior to playing 1st Grade and something we all enjoy playing in, despite the shortness of the season.

Immediately after Christmas, we started a long stretch of two day red ball cricket strongly, comfortably defeating West Torrens and East Torrens. Several players stepped up in this period and we were not reliant on just a few, with different players winning and dominating games for us at different times. Heading into the final three games of the season, it appeared that three wins would guarantee us finals, two would give us a good chance, whilst with one or zero we would need some luck to qualify. Unfortunately, we lost to both Tea Tree Gully and Glenelg in Rounds 11 and 12, disappointingly not playing our best cricket and not being able to grab back momentum when it went against us. Heading into the final regular season game, we needed to win and two results to go our way to make finals. We dominated Woodville, bowling them out for 72 and comfortably chasing it none down very early in the afternoon. We spent the afternoon frantically refreshing PlayCricket to watch other results, and fortunately both went our way and we managed to sneak into fourth spot.

Coming up against Glenelg in the semi-final, we were keen to make amends for our performance two weeks earlier. We bowled first and toiled away all day, making it hard for Glenelg to score and attempting to be better for longer. We felt we achieved this and bowled Glenelg out for 238 early on day 2. Unfortunately, we let ourselves down with the bat - we were never in the contest and were bowled out cheaply, which was a disappointing end to our season, and we fell short of the ultimate goal.

The 2nd Grade team used 30 players across the season, twelve of whom played 1st Grade at some point across the three formats. Eight of the 30 were also U17s, with several other teenagers playing,

with mid-20s often being the age of the oldest player in our team. What was most pleasing was that these young players are already match winners for us. Achyut Chopra won our batting award, whilst Archah, Taite and Jaikar Singh also showed incredible potential with the bat. Jay Temme continues to go from strength to strength with his leg-spin and played several well-deserved 1st Grade games across the season in all three formats. Theo Harper took the mantle as our reliable, opening bowler, and Shiv Channa continued to take wickets for fun. The future is bright for the Club, and I can't wait to watch all of these players develop even further.

It is a great honour to play for and to represent our incredible Club and even more so to be given the responsibility to captain. This year we got back to where we wanted to be, playing in those last weeks of March, but we are disappointed with how it ended, which will serve as our motivation next season. A huge thank you to Matt Cesaro, who stepped into the role of game day coach this year, which was greatly appreciated by all players and really assisted our ability to reflect and dissect games. Noah Murphy stepped into the role of team manager in the early parts of the year and did an outstanding job, whilst the ever-reliable Nick Moschetta continues to be 2nd Grade scorer, for which we are extremely grateful. Finally, thank you to all coaches and captains, led by Russell Thompson and Josh Doyle, for all their guidance and hard work throughout the season.

See you all next season. Go Browns!

Will Rice

3rd GRADE

The 2025/26 season saw another great year of growth for not only the 3rd Grade squad, but for the Development Squad as a whole.

Our team has been spoilt with the continued support from Jamie Panelli and Michael Davies over the past few years; however this season saw a slight re-shuffle of the 3rd Grade leadership with myself and Mitchell George sharing the responsibility. This allowed stalwart Michael Davies to shift focus into a mentoring role within the Development Squad, while continuing to lead by example with the bat.

We began our year strongly, winning our first four matches before a washout in Round 5. Michael Davies was a stand-out early in the season with a century against Port Adelaide, while talented youngsters Jaikar Singh, Jayden Growden, Loughlin Stewart, Rayan Bihari and Seb Rice pushed their case to play for higher honours.

After a dominant and consistent start to the year, our group continued its winning streak, buoyed by another brilliant century from Michael Davies in Round 10, where we found ourselves without a loss to date.

Round 11 against Tea Tree Gully provided a timely challenge, in a game where an in-form Mitchell George and developing batsman Jamieson Payne demonstrated how far their cricket has come over the past two seasons.

The back end of the year saw us claim a final-over win against rivals Glenelg, with fantastic contributions from Euan Fletcher, Jamieson Payne and wicketkeeper-batsman Tyson Matthews, who played a superb innings to see us over the line. We finished the year third on the ladder, with an 8-2 record along with two no-results.

Our squad was ever-changing throughout the season and, as we approached our semi-final match-up against Sturt, it was a testament to a squad mentality of cricketers striving to perform and test themselves at the next level. I credit this mindset to our success throughout the year, and it placed us exactly where we wanted to be – playing finals cricket away against Sturt.

Day one at Price Memorial Oval provided ideal conditions for finals cricket, with Sturt winning the toss and electing to bat. Seb Rice made a brilliant start, taking two wickets in the opening over of the match to put immediate pressure on Sturt. To their credit, once the new ball was weathered by their middle order, they batted exceptionally well and capitalised on some missed opportunities in the field. Sturt finished day one at 8/255, with Seb the pick of our bowlers, taking 3/32 from his 18 overs.

Unfortunately, we were unable to get going with the bat and were comprehensively beaten on a pitch that became increasingly difficult to score on. Euan Fletcher showed great resistance and application, top-scoring with 56 as Kensington was bowled out for 108 from 54 overs.

It was another strong season from the 3rd Grade side, although we ultimately fell short in finals. The experience gained playing high level finals cricket will hold our group in good stead moving into next season.

A massive thank you to Tom Woodcock. Your contribution as scorer and team manager is invaluable and greatly appreciated by everyone involved with the group.

As always, thank you to all of our coaches, especially Russell Thompson and Matt Cesaro. Matt is moving on to a new challenge this year, and I would like to thank him on behalf of the Development Group for his invaluable contribution to our Club. We wish him every success moving forward.

Finally, congratulations to our premiership-winning teams across both the men's and women's competitions. Their success reflects the strength of our Club, and we look forward to building on that success in 2026/27.

Fred McClure

4th GRADE

This season saw the 4th Grade team play sixteen games; we had seven wins, seven losses and two matches abandoned. It was a tough season, with most of our losses being in the last few overs or by a single wicket. Unfortunately, this was not enough to make finals, which is the first time in a few years that we have not reached the finals.

On a more positive note, we had lots of players make their senior debut and saw some very promising performances from juniors. Out of the 38 players used in 4th Grade, only four had not played junior cricket at Kensington. This is a great testament to the junior program, which is enforced by the number of players who ended up representing the Club at higher levels throughout the season. It was a tough year for availability due to injuries throughout the grades, so a huge thanks to all of the 38 for turning up to play.

The highlight of the year was without doubt the game against Tea Tree Gully at Col. Waite Oval. Zac Grice opened the batting and batted through all 40 overs for 259no off only 128 balls, with 14 fours and 24 sixes. This amazing individual innings led us to a total of 358 and TTG could manage only 141, giving us a huge winning margin of 217 runs.

Matt Hopkins

SAVCA Over 50s Divisions 1 and 2

The Grey Browns' season can be summed up thus: short on wins but brimming with highlights that will long be remembered by all who played in 2025/26.

The undisputed high point of the season was the Division 2 side's Round 5 clash with Hills/Fleurieu on December 14. The regard in which former A Grade seamer George D'Agostino is held was evidenced by the strong turnout – on and off the field – that day at Colonel Waite. When word circulated that George was seriously ill, we had no trouble at all filling an XI to play in his comeback match. George batted in his usual elegant, upright manner to contribute a handful of runs down the order and took a wicket with a few overs of brisk outswing. It was a wonderful day on which the hackneyed and often-abused 'spirit of cricket' slogan met its dictionary definition precisely.

A second highlight came in the penultimate fixture at Woodville South. Chris 'Bear' Humphrys, just weeks after major heart surgery, made himself available when we were short. Disobeying strict instructions to remain at a very fine first slip/short backstop, he crept half a step wider for a new batsman. Andrew Heitmann induced a thick edge and Bear stuck out a right hand to clutch one of the greatest catches seen at the venue.

In the same game, first-year player Vivek Paranjpe dazzled all assembled with a sparkling, audacious 75 from 53 balls (9 x 4, 5 x 6). Viv and Venkat Lingampally posted 27 for the tenth wicket to bring us within 12 runs of victory. Afterwards Woodville South's (complimentary) beer was cold and the hospitality warm – everything that day illustrated why we continue to play the greatest game.

Among the many other fine individual performances, a few warrant mention: early in the season Andrew Rumbelow took a slips catch almost the equal of Bear's; and in the final match, against Pembroke, the wily old trundler delivered a spell to rival any of his days of yore – a spell that ended with the scorecard reading 1/6 from eight allotted overs.

The recruits shone in 2025/26: Anthony Tucker's unbeaten 50 on debut – how he loved playing on Parkinson Oval for the first time – was a highlight; Sam Crafter was punishing with the bat and penetrating with the ball; and Vivek's Lara-esque batting was supplemented by some fine off-spin that on occasion was let down by the 'keeper's hard hands. Others to make their debut this season were club legends/stalwarts John Palmer Jnr, Angus Hall, Greg Slack and Anthony McDonald.

When he wasn't icing a hammy, Geoff Black showed his class with bat and ball, albeit while failing dismally to harness his legendary competitiveness. Returning from a hip operation, Rob Muir delivered telling spells, motivational addresses, and superlative afternoon teas. Neil Cross had such a fine year he earned promotion to the 4th Grade team by season's end. And then there's our other new-ball wizard, a man who makes runs when required down the order and is always there when something needs doing – thank you Vern Green.

The 1st Grade team's spectacular success came at a cost: it robbed us of our best spinner, power hitter and talisman Mark Firth, who was required to fulfil team manager duties on so many quarter-, semi- and grand final Sundays. Look no further than this factor to explain our small tally of wins this season.

Some further thanks: to Andrew Rumbelow for his devotion to the concept, for fulfilling the dreaded PlayHQ duties, and for his relentless recruiting. In Rumbles we have not only the best allrounder in the competition, but the best leader; to our generous benefactor and steadfast supporter Tim May – your patronage helps keep our subs down and we are most grateful for your interest and assistance; thank you Tonys Bedford and Rice and all on the Committee for your tireless work for the Club; a heartfelt thanks to our many sponsors and supporters for their encouragement; and thanks to the senior players for always asking how we went, thereby making us feel a part of it, which is one of the great things about our Club.

The biggest thank you is saved for last: to every player who put up their hand this season – thank you for your commitment and your great company on a Sunday afternoon and afterwards on the late lamented balcony. As always our mantra rings true: turning up and playing is winning.

The last game of the summer spoke of our love of cricket. When Haslam was awash after an unfortunate overnight sprinkler mishap, we trooped down to Park 17, the former Sizzler Park, for our clash with Pembroke. Afterwards we ruminated over the day's play and the season under a copse of the South Parklands' finest with Southwark Bitters in hand. It doesn't get much better than that - as Chris Page noted: "What else would you be doing on a Sunday afternoon?"

Andrew Faulkner

WOMEN'S CRICKET

REPORT FROM CO-ORDINATOR OF WOMEN'S CRICKET

The 2025/26 season will be remembered as a landmark year for women's cricket at Kensington District Cricket Club.

Our women's program continued its strong trajectory, achieving success on the field while further strengthening the culture, pathways and sense of belonging that have become hallmarks of women's cricket at Kensington. Perhaps most significantly, we fielded four senior women's teams for the first time in the Club's history, becoming the first Premier Cricket club in South Australia to achieve this milestone. Supported by a record playing group, a thriving Girls' Academy, the revitalised Maidens' Club and a dedicated volunteer network, this achievement reflects many years of hard work by players, coaches, volunteers and administrators who have contributed to building opportunities for women and girls to play cricket at Kensington.

The debut of our women's 4th Grade team was a particularly proud moment for the Club. Establishing a new team is no small undertaking and provided an important opportunity for both emerging and developing players to participate in competitive senior cricket. To see the side not only compete strongly, but qualify for finals in its inaugural season, was an outstanding achievement. Even more remarkable was that all four senior women's teams reached finals, highlighting the depth that now exists throughout our program. This success was complemented by premierships in the women's 1st Grade T20 competition, the women's 2nd Grade T20 competition, the women's 2nd Grade One Day competition and the U18 T20 competition. Our 1st Grade side also advanced to its fifth consecutive One Day grand final, while our 2nd Grade side secured the first women's 2nd Grade One Day premiership in Club history.

While on-field success remains important, one of the greatest strengths of our program continues to be player development. Throughout the season, a number of Kensington players earned representative honours across School Sport SA, SACA pathway programs, South Australian representative teams, Adelaide Strikers and Australian U19 cricket. These achievements are a reflection of both individual commitment and the strength of the development pathway that continues to grow within our Club.

Another highlight of the season was the continued growth of our Girls' Academy. The Academy remains a wonderful group of young cricketers who bring enthusiasm, energy and a genuine love of the game each week. Throughout the season, several Academy players were provided opportunities to represent Kensington in SACA U15 matches and to step into senior cricket through appearances in our women's 4th Grade team. These experiences are an important part of our pathway, helping young players to build confidence, develop their skills and strengthen their connection to the Club. The future of women's cricket at Kensington is bright, and our Academy girls will play a significant role in shaping it.

The women's program also saw the revitalisation of the Maidens' Club, our dedicated women's cricket supporter membership. The refreshed initiative was well received and provided another avenue for members, families and supporters to contribute to and engage with the continued growth of women's cricket at Kensington. The support of the Maidens' Club helps to strengthen the connection between our players, supporters and the broader Club community, while also assisting initiatives that enhance the experience of women and girls within the program. We thank everyone who supported the Maidens' Club throughout the season and look forward to seeing the membership continue to grow and to strengthen its impact in the years ahead.

A significant milestone during the season was the unveiling of the Women's Honour Boards in the clubrooms prior to redevelopment. The boards acknowledge the rich history of women's cricket at Kensington and celebrate those who have contributed to the success and growth of the program over many years. The collection includes the Jane Lowe Honour Board, Women's Player of the Year Honour Board and Women's Life Members Honour Board. The naming of the Jane Lowe Honour Board is a fitting tribute to Jane's extraordinary contribution to women's cricket and the countless hours she has dedicated to players, teams and the broader Club community. The honour boards

provide a lasting reminder of the people whose dedication established the foundations on which our program continues to grow.

The season also marked an important leadership transition. After eight seasons as women's 1st Grade coach, Jamie Panelli announced he would step away from the role to become Director of Women's Cricket. It is difficult to adequately capture Jamie's impact on the program. His remarkable coaching record speaks for itself; however, his greatest achievement has been creating a culture that values people, connection, resilience and growth alongside performance. Under Jamie's leadership the women's program has experienced unprecedented growth, sustained success and developed into one of the most respected programs in South Australian cricket. While his departure from the 1st Grade coaching role closes a significant chapter in our history, the creation of the Director of Women's Cricket role reflects both the scale of the program and our ambition for continued growth. We are incredibly grateful for all Jamie has contributed and excited about the opportunities his new role will create for the future.

As a club, we also farewelled our old clubrooms during the season as preparations commenced for the highly-anticipated redevelopment project. The clubrooms have been central to countless memories, friendships and celebrations over many years, and their demolition marked the end of an important chapter in our history. While the coming season will undoubtedly present challenges as we operate without traditional clubroom facilities, there is enormous excitement about what lies ahead. The new development will provide outstanding facilities that will support the continued growth of cricket at Kensington and create an environment that future generations of players can be proud to call home.

Special thanks to our Women's Cricket Leadership Group, comprising players and captains, coaches, volunteers and parents from across all grades. The group has played an important role in supporting the continued development of the women's program, providing valuable input, fostering strong connections between teams and families, and helping to create a positive and inclusive environment for all involved. The willingness of so many people to contribute beyond their immediate role demonstrates the strength of the community that continues to underpin women's cricket at Kensington.

A special acknowledgement must also be made to Amy Davies, whose contribution to the women's program continues to be invaluable. As team manager of our women's 1st Grade side, Amy provides an extraordinary level of organisation, support and care for players and coaches alike. Beyond her team management role, Amy has been an integral member of the Women's Cricket Leadership Group, helping to strengthen communication, connection and culture across the program. This season also saw Amy join the Club’s Committee, further extending her contribution to both women's cricket and the broader Kensington community. We are incredibly fortunate to have people of Amy's calibre investing so much time and energy into our Club, and we sincerely thank her for everything she does.

None of the achievements of the 2025/26 season would have been possible without the dedication of our coaches, team managers, scorers, Committee members, volunteers, parents and supporters. The strength of our program continues to be built on people who generously give their time, energy and care to support others. Their contributions create an environment where players can thrive both as cricketers and as people.

Finally, thank you to every player who represented Kensington this season. Whether playing in our Academy, U15s, U18s, ATCA teams or Premier Cricket sides, each player contributes to the culture that makes this Club such a special place to belong. The success of our women's program is measured not only by premierships and achievements, but by the way our players support one another, embrace opportunities and represent Kensington with pride.

The story of women's cricket at Kensington continues to grow. With strong foundations, outstanding people and exciting opportunities ahead, the future has never looked brighter.

Alexandra Dolling

SENIOR COACH'S REPORT ON 1st GRADE

I started last year's report with "Dare we dream for five" (in the 50 Over competition), and from a competition perspective that was a nice thought, but it wasn't our only driver.

There has been only one club in the history of women's cricket in South Australia to make five grand finals in a row and only that one club has won the five-flag streak, back in 1953.

This is probably going to sound strange to others but, as mentioned in the report of last year, our premierships are not the greatest highlight this program gives - the development and growth as humans is far more of our shining light. Hand on heart, observing our girls grow as people and playing for each other is just incredible. This is why they are incredible athletes, but even more incredible humans.

Our players are proud to play for Kensington and are the hardest working in the competition. Unfortunately, the training, the effort and the previous four premierships don't guarantee another premiership and, as I mentioned, our measure of success is only part silverware and majority about our females enjoying their environment, building a thriving high-performance program and being the best version of themselves through our cricket and our Club culture.

From a senior team list perspective, we experienced significant change again, as we had six changes to our 1st Grade premiership side of 2024/25. However, as we know, change can give rise to an opportunity to add to and to replenish our squad, bringing in different skills sets and also different dynamics.

We welcomed the following new players/staff to our set up:-

- Hannah Taylor-Yeates (UK) – batter/offspinner
- Ellen Watson (Scotland) – batter
- Tessie Kennedy (SA U19s) – pace bowler
- Maddie Penna (SA WNCL/Strikers WBBL) – batter/legspinner
- Grace Jones (Geelong, Vic) – leg spinner
- Alex Dolling (Women's Coordinator)
- Molly Barbour-Smith (UK) – pace bowler
- Lucy Higham (UK) – batter/offspinner
- Rachel Church (back from regional Qld) – batter/wicket keeper
- Geoff Johnson and Hamish Brown (C Grade/Development Coaches)
- Raj Kalia (D Grade Coach)

From a program perspective:-

- We unveiled the women's honour boards for the first time, appropriately named after our wonderful servant Jane Lowe. It was a landmark moment, and one many of us will remember and cherish for a very long time.
- We introduced a D Grade team for the first time in the Club's history.
- We now have four senior grades and an Academy in our women's program.
- We had 67 players register with our program, which is a 'PB' for our Club.
- All four senior sides made finals. Considering the age of our playing squads, the first season for our D Grade team and playing all senior women's competitions, this was an outstanding effort.
- Big congratulations to our 2nd Grade team for taking out both championships, T20 and 40 overs. This is the first 40 over premiership in their history, and now their four-peat for the T20s!!

Each pre-season we turn our attention to an alternative sport or activity to bring some fun and diversity to our program. This year it was art, to capture the theme of 'making your masterpiece'. It was a collective event with a wide cross-section of our playing group coming together at the local art centre, Hubbe Court Art Centre, to test their artistic capabilities. We embraced the imperfections;

we illustrated what we feel is most valuable to us and we did it under time constraint and peer group pressure. Most of all had a lot of fun.

We would ‘draw’ on the lessons and mindset during the season.

We stuck to our usual pre-season craft/nets and outdoor sessions, including a select group of juniors from our pathway joining us, and then rounded the pre-season out with trial games against an SA U19s Pathway team and our junior boys.

T20 competition

We set ourselves to improve our T20 brand and game this year. We finished top and had a shot at the title for the first time in seven seasons. The players worked extremely hard on themselves and on our game plan to ensure that we gave ourselves the best opportunity for success. I sensed that they wanted to show their true colours on the T20 stage. What they showed was an emphatic display of skill and strength.

Six wins from eight games, with a healthy percentage, saw us book ourselves a grand final on Adelaide Oval against Adelaide:-

- 5/165 after our 20 overs.
- Bridget Patterson and Eliza Doddridge were irresistible at the top with a 115-run opening stand, both making 50s and showing their class on the big stage.
- Maddie Penna came in an made a brutal 32 off 20 rocks and the game was set up from there.
- Adelaide was no chance, being dismissed for 49 in the 17th over.
- Shae Daly with three wickets, Courtney Neale with two, Sarah Lowe and Grace Jones with one each.
- We warmed up Adelaide Oval and set the place alight ready for the men to have their shot.

Congratulations to Bridget Patterson for her best afield performance in the T20 grand final.

Big congratulations to Eliza Doddridge, who won the Shelley Nitschke Medal for the 1st Grade T20 competition for the second time.

ATCA again was a good opportunity for us to get more T20 cricket in, and against our arch rivals…….'the men'. We took it in turns with being captain and every skipper did a brilliant job.

50 overs competition

Like previous seasons, except last (2023/24), we finished third and locked in a semi-final against Sturt. This was the fourth time, from the last five seasons, that we finished third and would play Sturt at Price Memorial Oval.

Reminder: the top three make finals in our women's 1st Grade Premier Competition.

Key points around the 50 over season for us:-

- Six wins, three losses and three abandoned in the minor round – strong performance and consistency again.
- We have a great reputation of cricket character in the competition and we continue to spread our contributions across the whole team - this season was no different.
- Finished third and played a semi-final against Sturt for the fourth time in five years.
- It was a year of adjustment, with Parkinson Oval available only for the first half of the year, but the girls adapted really well and made Park 25 No 2 their own, not losing a game there.

The narrative was five in a row, we get that, but we spoke about staying strong on being present in the year we are sharing and the people with us this season. You are unlikely to play with the same team mates each year, so we made a conscious effort to enjoy the time together.

We had plenty of individual performances and honours once again.

Three players achieved Team of the Year selection. Congratulations to Shae Daly, Elsa Barnfather and Sarah Lowe. Fittingly, Sarah was skipper of this team again.

Congratulations to Shae Daly for winning the SACA Women's 1st Grade Joanne Broadbent Fielding Award.

A single century this season went to Indira Panelli against West Torrens. Congratulations to Indi on making 112 and, in doing so, bringing up her maiden century in Premier Cricket and for the Browns. Sharing the moment with her captain Sarah Lowe was a very special sight.

Indira also made Australian U19 selection, touring to Sri Lanka and Brisbane/Gold Coast to compete.

Bridget Patterson, Courtney Neale, Maddie Penna and Emmerson Filsell all continued in the State set up.

Bridget also brought up 150 WBBL games and this year also became the most capped SA WNCL cricketer, surpassing Karen Rolton's record. Bridget, congratulations on being a wonderful servant of our State and our Club.

Bridget, Courtney and Maddie also played in the Green v Gold Cricket Australia three day match in April.

Finally, a special mention to our unbelievable skipper Sarah Lowe, who won her fourth Karen Rolton Medal. Sarah is now in absolute rare air, being one of the most decorated cricketers (if not our most decorated cricketer) in our SA Premier Cricket history and most definitely at Kensington, with eleven premierships, four Karen Rolton Medals and nine Brown Jackets (Club Player of the Year).

It is these awards that define Sarah's cricket ability and reputation; however, what is not always seen by people outside our program is her leadership and nurturing of our players. What really defines Sarah as a person is her preparedness to continue to improve herself and to continue to serve our organisation and team. It is not surprising she wins these awards, but what is equally not surprising is the love and trust her team mates have for her. She is a loved leader and team mate, and the exciting bit is she is far from done!

The last five years have earned her three Karen Rolton Medals and five premierships. The GOAT is has accelerated in the stage of her cricket life when others are decelerating. Incredible effort, Skipper!

Semi-final against Sturt (at Price Memorial Oval):-

SDCC 10/175 (48.3 overs)

First time Sturt have batted first in the last four semi-finals against our Club.

Courtney Neale 3/7 from five overs and Shae Daly with two important wickets.

Sturt lost 6/40 for the fourth time in a row!

KDCC 2/178 (40 overs)

Maddie Penna – 92no (91 deliveries).

Bridget Patterson – 63 (118 deliveries).

155 run second wicket partnership (Patterson/Penna).

History repeats itself for the fourth time - same opposition, same oval, same result. Grand final, here we come!

Courtney's wicket first ball and opening spell, along with Shae Daly's key bowling effort, was testimony to how they set our side up each time we go to battle with the ball.

Bridget and Maddie's partnership was irresistible, and to see two of our experienced and elite talent demolish the opposition with power and precision was a great spectacle for those lucky enough to watch.

Grand final against Glenelg (at Karen Rolton Oval):-

Each year our grand finals have had a theme. It has allowed us to sharpen our 'stronger for longer' belief. This year it was "master(her)piece". The essence of bringing who you are, and what you give, is the integral piece to our framework.

After our final training session, I gave each player a handwritten letter to say how I admire all of them for their belief, hard work and unconditional care. To me, every single one of them is crucial piece in our "master(her)piece". They had more than the challenges on field this season; they dealt with life, family and health battles and what they have contributed and achieved is a testimony to their character, team care and connection. It is also the reason they were now playing in their fifth straight grand final.

Unfortunately, the result didn't go our way and we didn't get the result we were wanting, but I am so proud of the body of work these great players put together this season.

The game says the result was not to our advantage, however the way we played was still something to honour. We showed our trademark fight with the bat and, when we seemed headed, our players stood up.

KDCC 9/226 (50 overs)

Eliza Doddridge 44

Sarah Lowe 66

Shae Daly 41

Glenelg 3/227

Glenelg batted well and at no stage did we make it comfortable. We fought right to the end and, with two wickets in quick succession to Shae Daly in the middle overs, we kept the pressure on right to the end.

Courtney got an early one.

Shae Daly - two wickets and two of the best catches off her own bowling you will see.

To Glenelg's credit they did it three down. It is their first flag in the 1st Grade competition.

When you dare to dream, you may just have to also deal with disappointment, and it was a hard moment to feel loss after a number of successes, but we were really measured and accepting that this doesn't only define our success.

The most emotional and vulnerable moments as players (and coaches) are sometimes those after the immediate end of a season. Once again, the sharing and language that each of our players spoke was truly a reflection of their investment and love for their team and Club. I well up every time I think about these last five seasons' exchanges after the grand final game. These players have something special and a bond that is far more than premiership moments.

I congratulate every single player and wonderful staff member for their devotion and effort to bring their aspirations to reality and to continue their journey of personal development.

THANK YOU to all of our people who make this program work. You all very important pieces to our puzzle:-

- Alex Dolling – Women's Cricket Coordinator
- Jane Lowe – women's cricket volunteer
- Darren Bain and Jay Temme – 2nd Grade/Development Coaches
- Geoff Johnson and Hamish Browning – 3rd Grade coaches
- Raj Kalia – 4th Grade coach
- Amy Davies – 1st Grade team manager
- All the game day team managers of our program
- David and Tom Woodcock – FrogBox and live scoring
- Jakarra Hill – Assistant Coach and leadership mentor
- Ayisha Salah, Martha Roberts, Eliza Doddridge and Shannon Calvert for their Academy coaching
- Cam Fatchen Taj Panelli, Harry Bedford, Harvey Potter and Archah Parisi – game day volunteers
- Peter "Hendo" Henderson – practice manager
- Sarah Lowe – women's Club and premiership captain…for the ninth time!
- Senior men, Russell Thompson, Matt Cesaro, Gary Wright, Aaron O'Brien, Anthony McDonald, Barry Steele, Nick Moschetta, Tony Bedford, Michael Davies and Committee - thank you for your support and care for our girls.
- Ben Johnswood – Junior Head Coach/Coordinator
- All our players

A big thank you and fond farwell to Raj Kalia. He has been a wonderful 4th Grade coach for our program this year. He will continue to assist where he can, however he needs to be in two places at once now, and that is impossible.

Congratulations to our men's 1st Grade team on their two day "back to back" and on their T20 premiership - to share Adelaide Oval with you after our T20 triumphs was very special.

Congratulations to our U14 junior boys on their premiership

Premierships are a massive achievement, and they give us wonderful memories, but they don't give us meaning - our people do.

Can I also say:-

PREMIERSHIPS ARE WHAT WE DO, UNBELIEVABLE PEOPLE IS WHO WE ARE and KENSINGTON IS WHERE WE BELONG.

Ladies, thank you for letting me be a part of your wonderful lives and program. It is such an enriching part of my life.

Over eight years ago, I was asked at our Club's trophy presentation evening if I was interested in coaching the women. We were at the Feathers Hotel, there was a wall dividing us and, if I am honest, I didn't even know the girls well enough to tell you all their names. I had a nine year old daughter who had just started at the Club, and I began to understand and learn what female cricket at Kensington meant to these players. In my honest opinion, I was seeing what they were missing, rghtly or wrongly.

Anyway, I said yes.

I am not sure I was ready to coach again, and I am not sure they were ready for me!

We got to work.

We moved our change rooms, we renovated our standards, we increased our togetherness, we became stronger together.

We trained harder than before, we trained harder than the rest, and we challenged each other in performance and as people. We realised our currency is our culture, not only our cricket.

We brought in Baggy Browns to cherish when you reached your 1st Grade post. We hang them up on the hook at every game, home or away, and we remember how special this fabric is to us each time we play.

We learnt and sang our Club song for the first time. It's an anthem we have sung many a time now and shared it after plenty of premiership victories. I must admit we are much better belting it out now than the first time!

We trained against the boys and men in pre-season. Yes, we have some bruises and scars to prove it, but we won their respect. At the same time we started our journey to inclusivity. I love the fact that our young men see us as one now, and there is genuine mateship across our players.

We trained next to the high performance men on Wednesday nights, and we enjoyed the opportunity to train together. I can't tell you how many told me how well our girls train. I was like a proud Dad.

We created history by being the first women's side to play in a men's T20 competition in ATCA. Remember that first game when we beat Unley on their deck! It was an absolute privilege to play with you girls that day.

Initially I thought it was just coaching a team, but we needed to build a program. I know a lot of you felt we had teams and talent, but did we have a program?

Remember when we had 10-15 at training? We now have over 50 - listening to the sounds of girls and women echo around Parkinson Oval on Wednesday nights and on Sundays, as they train and play, is very special

We had 67 registered players in 2025/26.

We don't start training or pre-game without check-ins with each other. We have mindfulness as part of our warm up. When we started together, the closest we got to mindfulness is you telling me "to mind my own business"! ☺

We share dinner after every game, and prioritise togetherness more than the game's result.

Our Browns' Square fielding game is plagiarised by almost every club now. They all do it wrongly as well!

Our Brown Jackets are now for both men and women.

Most importantly, I have witnessed our ladies build a program that is now welcoming and nurturing to so many girls to play cricket the Kensington way and also empower them to be strong humans. You are truly transforming the way female cricket is played, and the transaction of cricket is second to the transformation you give our people.

It is the right time for change, and I can assure you I would stay as 1st Grade coach until the day I die, but at Kensington we put the Club first, and the Club needs me in a different area of the women's program. I will now move to a broader role of Program Director.

To tell the players this in the changerooms after our final game this season was one of the hardest things I have done, but the work is unconditional at our Club. I am here to serve them differently now, and a new chapter means new opportunities and growth. I want you ladies to know that you are limitless.

I know that we have shared many lessons together, maybe some I have taught but many more they have taught me. Most of all, I hope that they have learned that, above all the tactical and technical coaching I may have shared, they know how much this coach cared and loved them.

They say coaches can change players lives, but I would argue that, in this case, these wonderful girls have changed mine. I am forever grateful for our time together. Thank you for allowing me to pass by for as long as I did and see you grow and flourish. I have had the best seat in the house……

A chapter may have ended, but our story continues, here's to our next chapter together

Memories that never diminish and meaning that always remains

THANK YOU

Jamie Panelli

(Brown and Proud)

2nd GRADE COACH'S REPORT

This was a season that produced some great results for the 2nd Grade team and the players within that team, not just in cricket capability, but more importantly in the program's core value and focus on being the best teammates and people that we can be. This aspect of the women's program at Kensington is a primary driver, the key reason, for success that follows on field, which in 2025/26 enabled the 2nd Grade team to secure premierships in both the T20 and one day formats.

This year saw a change in the coaching setup for 2nd Grade. With Nick Holmes stepping down from his long-standing role, I entered the 2nd Grade coaching partnership with Jay Temme, who was in his third season. Quite clearly, the coaching influence from previous years is at the heart of the team's outstanding results and should be recognised.

We also welcomed Tessie Kennedy, an exceptional fast bowling all-rounder and a person who complemented our squad on and off the field.

T20 competition…the 4-peat

Previous achievements for the 2nd Grade in the T20 competition have been exceptional. Having won the last three titles, we were looking to maintain our approach in this format and at least to challenge again in finals.

Our path through the minor rounds and the semi-final saw us complete only three games due to washouts, meaning the result of each game played was vital. Pivotal and consistent performances through these games came from middle order batting by Abby Collihole and pace bowling by Olivia Temme. Our preliminary rounds included a critical win, not for the last time in 2025/26, against Glenelg. Batting first, we reached 4/127, with Frankie Queale providing the kick start 36 (42 deliveries), Abby Collihole maintaining middle order momentum 45 (38) and Teju Jayaprakash finishing 25no (21). We were then able to hold Glenelg to 5/120, with our captain Shannon Calvert leading the bowling with 2/13 (4 overs) along with Martha Roberts 1/19 (4) and a fielding effort that included a key top order run out that backed up our bowling. In hindsight, with the actual semi-final being a wash-out, this was our unofficial semi-final that set us up to host the T20 grand final on Parkinson Oval against Adelaide.

Jay Temme had the front row seat for a dominant display of T20 cricket that contributed to a memorable day for the Club. Losing the toss and being sent in, the Frankie Queale and Martha Roberts opening partnership decided the game by the halfway mark of our innings. At 0/93 after 10 overs, Frankie continued her remarkable innings, making 97no (62 deliveries) with support roles from Martha and the middle order to post 3/179. Frankie bludgeoned the bowling to all parts repeatedly, in a calculated, extended and clear-minded display of power hitting that had her the clear stand-out winner of the player of the grand final.

With that momentum, the difficult run chase was then made to be unachievable in the first over when Shannon Calvert took two wickets within the first three balls, finishing with 3/8 (4 overs). This pressure continued with Tessie Kennedy also taking two wickets in three balls, finishing with 4/12 (3.1). Phoebe Taylor 1/4 (3), Hannah Taylor-Yeates 1/9 (3), Hayley Rutter 1/9 (2) and Martha Roberts 0/13 (3) maintained the pressure, dismissing Adelaide for 59 in 19.1 overs.

This rounded out a great grand final, delivering a remarkable team achievement and a 4-peat.

One day competition – didn't have one of these….we do now

While the T20 format has been a strength, success in the one day format had been more elusive, with our challenge to transfer the T20 level to the longer format. Focus on consistency of performance over longer periods, patience in building our games, competing for and maintaining momentum and batting 40 overs, saw us build and improve as the season progressed, ending the minor round fourth with a 7-win/5-loss record and building towards the finals.

Amongst team achievements, there were some outstanding individual contributions that included half-centuries to Teju Jayaprakash (81no and 58), Abby Collihole (59 no and 57), Abby Bain (56 and 51) and five wicket hauls to Phoebe Taylor (6/6) and Natasha MacBean (5/10).

Teju Jayaprakash behind the stumps should also be acknowledged. Her ability to stand up to the stumps and her reliable glove work was essential to our bowlers and fielders…and our captain as well.

A late minor round game, led by our bowlers, provided a key win against unbeaten ladder leader Glenelg. We then repeated the success in the semi-final against a Glenelg team, at home, with a 10/1 win-loss record and going for three premierships in row. Our bowling attack was exceptional, dismissing them for 73 in 30 overs, led by Tessie Kennedy (3/18) taking key top order wickets and Natasha MacBean (5/10) taking care of everything else. We then chased the target down within 12 overs. This gave us great confidence going into the grand final, which for a second time saw us facing Adelaide.

Again, we were sent in and again the tone of the final was set within the first 10 overs by our openers Abby Bain and Teju Jayaprakash putting on nearly 60 at a run a ball. With Teju going on to make 58, support from Jade Gersch (46) and the middle order, we posted 254 in our 40 overs, the highest total by any team throughout the competition.

A very good run chase was needed, but our opening bowler pressure from Tessie Kennedy and Shannon Calvert, backed by disciplined fielding kept Adelaide to 0/10 after 10 overs. Using this pressure, Isabel Durant with two key wickets in three balls (2/22 from 5 overs), Natasha MacBean 2/34 (8) and then Phoebe Taylor 3/7 (2) dismissed Adelaide for just over 100, winning the first ever 2nd Grade one day premiership for the Club. Congratulations to Teju Jayaprakash on being awarded the player of the grand final for her batting and wicket keeping.

For the 2nd Grade team, this was a show case day. Not just for individual performances or the result, it encapsulated what we regard as important, including game preparation, player interaction on field and off field, interaction with coaches, competitiveness, handling of pressure, demeanour off the ground by supporters and how humble we were in victory.

Congratulations to 2nd Grade players, Tessie Kennedy (SA U19), Teju Jayaprakash (SA U19), Abby Collihole (SA Country), Liv Temme (SSA U15, SA U16), Phoebe Taylor (SSA U15), Gopika Pandit (SSA U12) and Abby Bain (SSA U15, SA U16) on your State cricket representation.

To the leadership group, Shannon Calvert, Frankie Queale and Martha Roberts, on game day it was your team and you did it so well. Leading two premierships in a summer is not luck.

Jay Temme, congratulations and thank you for your co-coaching and ongoing influence on this team across several years.

To Georgi Roberts, the team manager, a critical role and done exceptionally well again. Thank you for organising and enabling players and coaches to concentrate on the game.

To all the parents who spread the load of scoring and setups at home games, for your all-round and well measured support of your daughters, thank you.

Thank you to the women's development program and the people who drive it. It's an inspiring place for all involved and a privilege to belong.

A brilliant effort from the 23 players who represented the Kensington 2nd Grade team - we still have a lot to achieve and some unfinished business. I'm proud to be associated with you… and it's nothing to do with game results.

Darren Bain

2nd Grade co-coach

ATCA competition – C and D Grade (Development Squad)

Overview

Season 2025/26 was one of ambition and growth, with the women's program standing up a fourth team (the D Grade) in ATCA Division 2. This is quite an achievement, remembering that this is the competition in which the C Grade side was playing as recently as the 2023/24 season, before moving into Division 1.

With the commitment made to entering two sides in the ATCA competition, we welcomed several new girls out to pre-season, encouragingly some who have graduated from the Academy, along with some new to the Club. Generally, the new girls were firmly in the U15 age bracket, bringing down the average age of the squad and ensuring the sides lived up to its "development" focus… while also wanting to win!

Credit must go to those involved in helping get the D Grade side up and running, primarily Raj Kalia, who agreed to coach the side just before the season started, along with Alex Dolling, who acted as team manager, and Bridget White, who helped in any way required but generally made sure new girls were in the correct uniform and looked the part. During the season, as player movement in the higher grades impacted numbers in the D Grade, we also had several Academy girls fill in at short notice, so thank you to them and to the parents for their support.

The addition of the D Grade team presented the Development Squad as a whole with new experiences. In particular, scheduled rotation between the two grades meant not playing with the same group each week – something the C Grade group has got used to doing for a number of years in a row. Conversely, some of the girls playing regularly in the D Grade got a taste of C Grade, which hopefully drives them to continue to improve. There was also the addition of implied pressure to perform, especially as finals drew near. These are all good experiences for a young group to go through.

C Grade

The playing group from the previous season was largely unchanged, with Ayisha Salah returning to provide a measured and calm presence as captain. Pleasingly, some of the higher performers from the previous season spent more time training and playing with the B Grade (which we love), meaning that there were opportunities for others through the year. We also took the opportunity in the first half of the season to "develop" the girls via rotation in batting order and ensuring the bowling load was evenly spread. The philosophy is that exposing the girls to different situations (facing a new ball, needing quick runs, bowling at the death etc) will better equip them to handle any challenges thrown at them as their cricket journey continues. The equally important benefit of this approach is that all girls feel involved and invested in games – and ideally commit to the sport and to Kensington long term.

In terms of games played, the first half of the season felt cursed, with five games abandoned due to rain (and six in total for the year), sometimes when other fixtures/grades were getting away. The first game wasn't played until early November - with only three games in total played prior to the Christmas break. There were three clear stand-out and experienced teams (away from us) in the competition, with Para Hills, Reynella and Payneham all capable of making big scores, and being very clever in the field (e.g. field settings, bowling strategy). Whilst we got close a couple of times, we weren't able to knock these sides off during the season. With another year of experience, and for many girls getting bigger and stronger, we should start winning more games against these sides next year. The team was very efficient, however, in winning the majority of games against the rest of the competition and ended the season in third place on the ladder and qualified for finals. This was a terrific result and means that the Club has qualified for finals in both years since moving to Division 1. The semi-final against Reynella played out largely as other games had against the top sides, being well restricted with our batting (albeit on a slow outfield) and losing key wickets regularly, while struggling to get their top batter out early. However, the team battled right to the end, and we most definitely made sure that Reynella earned their win.

Looking at individual performances, Maddie Hyde joined the team after Christmas and scored 151 stylish runs at an average of 37.8, anchoring many innings while also scoring at a decent rate. Ava Foote and Chloe Juers similarly played plenty of B Grade, but showed their class and power in C Grade, scoring 133 and 120 runs respectively. Lily Edgecombe played a number of good innings, scoring 103 runs in an attacking fashion. Special mention to Gopika Pandit who, despite her young age, looked a class above and was rewarded with games in B Grade. On the bowling front, Liv Napier really stepped up this year, bowling fast and straight and collecting 19 wickets at an average of 10.2. Liv was rewarded for her terrific performance with a spot in the ATCA Team of the Year. Wickets were generally evenly spread from there, with Gopika taking the second most wickets, with nine for the year. At Kensington, we pride ourselves on our effort and ability in the field, and we delivered again this year, taking plenty of great catches and saving runs every game through our desperation.

In summary, despite the shortened season we still took a lot out of the year, with a number of girls playing their first game in C Grade, some of the established players pushing into B Grade, all girls developing their game in one way or another, and making finals for the second consecutive year.

D Grade

The D Grade team was also impacted by rain, having four games called off over the season, however got off to a flyer winning the first four games of the year – an amazing result for a new team in a new competition. The strong form continued over the season, with a final ledger of nine wins, one tie and only three losses, ensuring that a spot in the semi-finals was secured. Unfortunately, we couldn't get over the line in the semi-final against the Eastern Falcons, falling just short chasing 118 in 20 overs (finishing at 7/92).

The rotation philosophy was also employed in this team, and pleasingly all girls were given plenty of opportunity to bat and bowl. Kiara Gleeson played a handful of games and showed her experience and ability, cashing in with the bat, scoring 112 runs at an average of 56. Megan Collihole commuted from Mildura to play a selection of games during the year, looking extremely accomplished, scoring 97 runs at an average of 32. From there the load was shared with Zabreen Sodhi, Juliette Stevens (who also captained the team), Yashvi Kalia and Samaira Soodan, all new to the Club, young, and showing glimpses of their talent. The wickets were equally well spread, with Yashvi and Juliette both taking nine wickets for the year. A call out to Evie White and Maddie Dolling, both girls who take their cricket seriously and who are a pleasure to coach, playing the majority of the year in the D Grade after playing a lot of C Grade the year before, for providing experience and leadership to the team. Special mention also to the other girls who are new to the Club or to senior cricket and who we loved having on board – Grace Stevens, Methmi Hewasahiduwage, Audrey Cotton, Aarvi Patel, Ibadat Kaur and Phoebe Gleeson.

Geoff Johnson and Hamish Browning

C and D Grade (Development Squad) joint coaches

CAPTAINS' REPORTS

1st GRADE

Every season tells a story, and within that story are sub-stories that enrich and grow our program. Season 2025/26 was no different.

We welcomed a host of new players, coaches, and volunteers; set and achieved personal and team goals; embraced new challenges and opportunities; and saw the layers of success that our program continues to achieve. The depth of this story is something to be proud of, though impossible to capture fully in just a couple of pages.

This season marked a significant milestone in our history, with four women's teams representing the Club for the first time. We were also the first Premier Club to achieve this feat. It reflects the long-term work of our coaches, coordinators and volunteers. Two of these teams competed in the SACA competition (1st and 2nd Grades), and two in the Adelaide Turf Cricket Association competition (1st and 2nd Grades). This achievement was made even more impressive with all four teams making finals.

These teams were underpinned by 68 registered players (another milestone) and an academy. We also had teams represent the Club in the SACA U15 and U18 competitions, as well as a mixed ATCA T20 team. It was also fantastic to see the connection across the program, with more time spent together in preseason, participation in non-cricket activities and regular check-ins before training sessions.

In the off season, the high-performance squad welcomed Maddie Penna from West Torrens. Maddie's experience as a State and Big Bash player was a great addition. Grace Jones also joined from Geelong and played an important role in 1st Grade, while Tessie Kennedy joined from Northern Districts and made her 1st Grade debut. We welcomed Hannah Taylor-Yeates from England, with Elsa Barnfather and Natasha MacBean returning for a second season. Ellen Watson joined us from Scotland for the first six weeks, while Lucy Higham (England) and Molly Barbour-Smith (Scotland) joined for training stints and contributed in many ways during this time. Likewise, it was great to welcome several new players across all levels.

We also saw several of our players receive recognition at high level. Congratulations to:-

- Gopika (Ziya) Pandit – School Sport SA 12 and Under
- Abby Bain, Liv Temme and Phoebe Taylor – School Sport SA 15 and Under
- Abby Bain and Liv Temme – SACA U16s
- Indira Panelli and Tessie Kennedy – SACA U19s
- Indira Panelli – Australian U19s
- Indira Panelli, Grace Jones, Emmerson Filsell and Courtney Neale – SACA Second XI
- Bridget Patterson, Courtney Neale, Maddie Penna and Emmerson Filsell – SACA
- Bridget Patterson and Maddie Penna – Adelaide Strikers
- Bridget Patterson, Maddie Penna and Courtney Neale – Australia Green vs Gold

Special congratulations to Bridget Patterson, who became the most capped player for South Australia this season, surpassing Karen Rolton - a reflection of her longevity and class. Well done also to Indi, who was the leading run scorer, made the team of the tournament and was runner-up player of the tournament at the National U19 carnival.

Once again, we kicked our season off early with a hunger for success and an eagerness for what the year would have in store. Some rain to start the season was a little disruptive but, before we knew it, we were into the swing of both competitions.

We have placed our T20 results in recent seasons under the microscope. While we performed well, we often fell short of our best, finishing third and missing finals. This preseason, we focused heavily on mindset and lifting our tempo with the bat. The results of this were clear, being reflected in our net run rate and performances. We finished the minor round on top with six wins from eight matches, which locked us into the grand final at Adelaide Oval against Adelaide. In this match we showcased our best. We were dynamic with the bat and clinical with the ball - resulting in a 116-run win and breaking a six-year drought. Congratulations to Bridget Patterson, who was awarded the Lauren Ebsary Medal for best on ground for her 67(43 deliveries) and to Eliza Doddridge, who dominated the season and was awarded the Shelley Nitschke Medal for the best player across the competition.

In the one day competition, it is fair to say we were the hunted all season. Throughout the season we saw different players stand up and take their opportunities at different times. This was evident both with the bat and the ball. Some highlights were; Indi scoring her maiden century for the Club in a very classy performance against West Torrens, and Shae Daly having an unbelievable all-round season which saw her rewarded with another selection in the SACA Team of the Year. She was joined in the team by Elsa Barnfather, who was key in the middle order, scoring several 50s.

We played great cricket up until the T20 grand final, which was then followed by a few lean weeks. As we know, no season is without challenge, and this period required us to reset and refocus. To the group's credit, we did that and finished the minor rounds with a good win and dominant performance in what was eventually a washed-out game before heading into another semi-final against Sturt - a very familiar place for us. Once again, they had earnt the right to host and we were ready to go. A wicket first ball of the game to Courtney Neale set the tone. She followed with another two in quick succession and, while there was some fight in the middle, the job was done. We bowled them out for 175 before completing an 8-wicket win. Maddie Penna was also outstanding in this match, finishing unbeaten on 92 and with two wickets.

This took us to our fifth grand final in a row and the opportunity to go five from five. We won the toss at Karen Rolton Oval and posted 226 with important contributions from Eliza 44 and Shae 41 - a score that had us well positioned and ready to strike. However, to Glenelg's credit, they tackled the chase in a calculated manner and achieved the total with both overs and wickets in hand. It required their highest score for the season and for their high-profile players to step up.

Naturally, it was not the result we wanted or what we had worked so hard to achieve, but the reflection and connection shared post-game highlights that, regardless of result, this team and program is successful and will continue to achieve great things both on and off field. It has also ignited a renewed hunger for 2026/27.

Other highlights throughout the season included the unveiling of the women's honour boards in the old clubhouse prior to redevelopment - a fitting tribute to the program's evolution. The boards are fittingly named after Jane Lowe, acknowledging her tireless contributions over 20 plus years to the women's program and to the Club - also timely given her decision to step down as Women's Coordinator this season. The program is where it is today because of the countless hours and drive to support its growth. On behalf of the program and Club, we extend our thanks to Jane.

We also celebrated success across the program and Club with the T20 grand final day highlighting who we are and how we go about it. Men's and women's 1st Grade premierships on Adelaide Oval and the 2nd Grade women getting the job done on Parkinson Oval, making for one of the more memorable days and nights at the clubrooms– fitting a few weeks pre-demolition. An art class undertaken across the program gave an insight into who we are and who has some artistic flair, an U18 premiership, a shared pre-season with the junior boys, new coaches, greater connection across the program, player development in all facets and the coach captaining and winning a World Cup representing Australia in the Over 40s (is there anything he can't do?!).

None of this is possible though without the people behind the scenes. We were again supported by a wide variety of people who gave their time and energy to support our team. From the game day helpers – David Woodcock (Frogbox), Tom Woodcock (scoring), Taj Panelli and Archah Parisi (water runners), Cam Fatchen (jack of all trades) and the parents preparing afternoon teas and supporting us at home or away. More formally we had Peter Henderson continue as net manager and essentially number 1 ticket holder of the team, Amy Davies as team manager and statistician, Jakarra Hill assistant coach and cultural lead and Jamie Panelli head coach.

Additionally, well done to the respective captains - Shannon, Ayisha and Juliette - and to Darren Bain and Jay Temme for their guidance of the 2nd Grade team, Geoff Johnson and Hamish Browning leading the 3rd Grade team and Raj Kalia leading the 4th Grade team. More broadly, thank you to the Committee for their support. The two Tonys were a great presence at games, while Michael Davies does it all! Thank you as well to Alex Dolling, who stepped up as our Women's Coordinator. We also reintroduced a women's subcommittee, which showed its value in supporting and growing our program.

As a season closes, it also brings with it some farewells. We bid our overseas players all the best and thank them for their contributions. Jakarra has also moved to Canberra, which will see her play a lesser role moving forward. Jak has brought a skill set and depth to our group that is rare to find. It was also great to have a past player and former captain back within our program.

However, the hardest goodbye of all came in the changerooms post the one-day final. It was here that Jamie shared that he was stepping down from his coaching role with the 1st Grade team to take on a more strategic role as the Director of Cricket for the Women's Program. This role reflects the growth of the program and is critical to our continued success. Whilst effectively already doing it, to have a greater focus will allow our program to flourish and to see the Jamie effect reach further. Jamie has been instrumental in the 1st Grade's recent success and, since he took over eight seasons ago, the growth and evolution has been something to behold. Jamie's dedication and determination to serve this program, and to support the players within it to be the best version of themselves both as a cricketer and as a person, has seen a transformation in us all. It is hard to express the gratitude and thanks we have and how hard this news hit the group, but the ultimate reflection will be seen in the people and cricketers we are moving forward. The flip side of this is that the new role will bring so much to our program and its sustained success. Jamie, you truly are one of a kind and the greatest representation of this proud Club. Thank you for what you have given us, and we look forward to continuing to see what comes.

As the 2025/26 season closes, I feel grateful for the program and the Club that I am a part of. To see its continued growth, remarkable team and individual performances and the calibre of people it brings together is special. Well done to all who were part of that across the Club and the collective success that has been celebrated in recent weeks. Whatever you give this place, you will get so much more in return – I encourage us all to lean into this. Give back, work hard and stay hungry. See you next season!

Sarah Lowe

2nd GRADE

This season is a strong reflection of many years of hard work, effort, dedication and spirit from both the players and the coaching group. Kensington has always had a very strong women's program, and this was evident with being able to field teams across four grades for the first time in Club history. With such a strong group of women to choose from, our 2nd Grade team welcomed many different amazing ladies into our ranks over both the T20 and 40 over one day competitions. Week in and week out, we put up a strong performance regardless of the final result of the match and were always supported by our dedicated coaches Darren Bain and Jay Temme and team manager Georgi Roberts, all of whom contributed positively and selflessly to help us succeed.

This year marked the first season in which we managed to win the double, including a 4-peat in the T20 competition with a very strong win over Adelaide, and the first 2nd Grade 40 over premiership for Kensington. This achievement was mainly possible due to a series of all-round team performances and shows the culmination of many years of hard work at this Club over a fairly consistent playing group.

Our T20 season consisted of only two matches due to rough weather before finals, in which the semi-final was washed out as well. With wins in both regular season matches, we progressed to the grand final and beat Adelaide by 120 runs at the historic Parkinson Oval (Kensington 3/179, Adelaide 10/59), with a 97no to Frankie Queale, 3/8 off 4 overs for captain Shannon Calvert, and 4/12 off 3.1 overs for Tessie Kennedy. Our one day season consisted of twelve out of the fourteen matches,

with us finishing fourth on the table to sneak into finals. Facing long term club rivals Glenelg in the semi-final, we executed our game plan well and won by eight wickets away from home (Glenelg 10/73, Kensington 2/74) with 5/10 off 5.5 overs for Natasha MacBean, 3/18 off 6 overs for Tessie Kennedy, 39 for Frankie Queale and a quick fire 17no for Teju Jayaprakash to get us over the line. In the grand final, we were up against Adelaide again at the beautiful Park 23, winning by 146 runs to secure a maiden one day premiership (Kensington 8/254, Adelaide 10/108) with 21 for Abby Bain, a well-earned 58 for Teju Jayaprakash, 46 for Jade Gersch, 0/2 off 5 overs for Tessie Kennedy, 0/8 off 5 overs for captain Shannon Calvert, and 3/7 off 1.5 overs for Phoebe Taylor, with the rest of the wickets spread evenly.

This season was a great showing of cricket and a good study in both winning and losing well, as it wasn't all high scores and grand finals. The group formed strong bonds over the year and consistently found ways to work better together, with the inclusion of weekly reviews to replicate the 1st Grade process helping us immensely to improve our own game as well as analysis of oppositions. This in-depth breakdown was all thanks to our coaches, and they structured trainings around areas for improvement to get the most of out of Wednesday nights, which reflected well on our overall season. I believe that the continuation of this practice for many years to come will only continue to lift the standard of the 2nd Grade team and continue to uphold the reputation of Kensington's women's program as competitors in all formats. The aim of the 2nd Grade program is to develop young players into future 1st Grade representatives, and it is clear to see that this is happening year in and year out through the collaboration and commitment to excellence across the women's program.

This club is amazing to be a part of, and it has been an honour to represent it for so many seasons!

Frankie Queale

Vice-captain

REPORT FROM CO-ORDINATOR OF JUNIOR BOYS' CRICKET

The 2025/26 season was another outstanding year for Kensington's junior boys' program.

Congratulations to all players, coaches, volunteers and families for contributing to a successful, competitive and enjoyable season.

For some boys it was a return to the Browns, while for others it marked their first experience of Premier Cricket. That fresh enthusiasm and eagerness to be part of the Kensington community lifted the energy across all grades.

Kensington District Cricket Club remains one of South Australia's most established and decorated Premier Cricket clubs. With more than a century of heritage - and as the home of Bradman, Grimmett, and numerous State and National representatives - the Browns continue to set the benchmark for excellence. Today, our men's and women's programs are unmatched, securing 18 1st Grade premierships in the past decade, with many of those players emerging from our junior pathway.

This legacy is not lost on our juniors. They are part of a 300 plus player community spanning five men's senior teams, four women's grades, and a comprehensive junior pathway from Academy through U13, U14, U15.5, U17 and U18. The strength of this structure continues to attract large numbers of talented young cricketers and consistently produces players who progress to representative honours and senior grades.

A special thank you to Junior Head Coach Ben Johnswood, whose leadership across selections, player development and weekly coordination ensured that our boys were supported to grow their individual strengths and address areas for improvement. Our coaching community, including senior players, team managers and volunteers, plays a vital role in shaping not only strong cricketers, but outstanding young people.

Results

Our SACA Premier Cricket junior teams performed strongly across all grades:-

- U15.5 - runners up
- U14 - premiers
- U13 - quarter finalists (one day competition) / 4th place (T20 competition)

Our U15.5 team had an ever-changing line-up due to injuries and college cricket, but displayed remarkable consistency throughout the season. Players stepped up when they needed to, which saw us finish in third place after the minor round.

The semi-final against Adelaide was perhaps our grittiest win of the season. We fought hard with the bat to post 149, built around Darshbir Singh's excellent 62. Adelaide seemed to be cruising at the tea break but, from 4/95, leg spinner Nathan East's crucial breakthrough triggered a collapse. An outstanding bowling and field display saw us run out winners by 16 runs in a tense clash. Glenelg outplayed us in the grand final, but the team can be very pleased with their season.

The U14 team had a dominant season, winning every game including two crushing finals' victories to finish as premiers. Captains Fred Fairweather, Christian Iacopetta and Talish Singh led the team with maturity, working closely with team managers Bala and Nick. This is a talented group of players, who have been together since the Kensington Academy and developed a tight bond. Undefeated seasons are rare at any level, and the team can be justifiably proud.

Our U13s were all in their first season of SACA Premier Cricket and developed significantly under the guidance of former Kensington senior players Simon and Craig. The team rotated line-ups and roles throughout the season and built momentum as the season wore on. The win at home over

first-placed Glenelg to make the finals was a highlight, and we took the game right up to eventual premiers West Torrens in our quarter final. Well done to all players who took the field for our U13s.

Several junior players also stepped into senior cricket this season and embraced the challenge with maturity and confidence.

We remain committed to exposing high-performing players to competitive environments, whether through higher age groups or State representative opportunities. It is a joy for the Club community to see young players seize these chances, achieve personal milestones, and push their limits throughout the season.

Junior Awards

Most runs
- U13: *Sam Alcorn* - 198 runs at 39.60
- U13 T20: *Harry Delvins* - 115 runs at 38.33
- U14: *Talish Singh* - 306 runs at 61.20
- U15.5: *Anhad Singh Dhillon* - 344 runs at 34.40

Most wickets
- U13: *Noah Prokopec* - 12 wickets at 8.25
- U13 T20: *Noah Prokopec* - 4 wickets at 7.50
- U14: *Oliver Thompson* - 16 wickets at 14.06
- U15.5: *Nathan East* - 24 wickets at 10.88

Most dismissals
- U13: *Bailey Causby* - 11 catches & 3 stumpings
- U14: *Rohan Dogra* - 8 catches
- U14: *Sahaj Challa* - 6 catches & 2 stumpings
- U15.5: *Liam Martin* - 10 catches & 1 stumping

Best fielder
- U13: *Pavara Kavirathna*
- U14: *Jack McCabe*
- U15.5: *Darshbir Singh*

Special performances
- U14 Hat trick: *Sid McDonald* - 4/2 v. Port Adelaide
- U13 Five-for: *Harry Delvins* - 5/15 v. Glenelg
- U13 Century: *Sam Alcorn* – 114no v. Northern Districts
- U14 Century: *Talish Singh* - 133 v. Glenelg
- U14 Century: *Sahaj Challa* - 124 v. Adelaide

Club awards
- Junior Player of the Year: *Taj Panelli*
- Clubman of the Year: *Will Kleinig*
- Clubman of the Year: *Sam Hawkes*
- U13 Coaches' Award: *Shlok Shah*
- U14 Coaches' Award: *Jake O'Dea*
- U15.5 Coaches' Award: *Param Pandya*
- Morgan Medal: *Sai Akshith Konareddy* – U14 grand final

Academy

The Kensington Academy continued to thrive, running on Monday evenings with both metropolitan and hills-based squads. The program included structured training sessions, competitive internal matches, and fixtures against other Premier Cricket clubs to test players against strong opposition.

The Academy remains a vital foundation of our pathway, ensuring a broad base of talented young cricketers. Many Academy graduates now represent Kensington at senior level, and increasingly, they are returning as coaches within our junior program, strengthening the cycle of development.

Acknowledgements

Our junior program is powered by a dedicated group of volunteers and supporters. We thank each of them for their commitment:-

- **Ben Johnswood** - Junior Head Coach
- **George Taylor-Yeates, Henry Dall and Harry Moule-Hooworth** - Assistant Coaches
- **Esther Sterk** - Child Safety Officer
- **Peter Henderson** - Behind-the-scenes support
- **Darren Matthews and David Burgess** - PlayHQ registrations
- **Arpan Dhillon, Bala Ramamurthy, Nick McCabe, Simon Schwerdt and Craig Isbel -** Match Day Managers
- **Deb Cleggett** - Ground allocation
- **Jamie Panelli** - Season-long support and guidance
- **All coaching staff** - Weekly training and game-day leadership
- **BBQ, transport and scoring volunteers** - Essential support
- **Hitesh Chopra** - Technical systems, team app and statistics
- **Tony Bedford** - Club President

Looking ahead

The 2026/27 season will be a momentous year for the Kensington District Cricket Club. We will welcome around 100 new Academy players and anticipate strong performances across our U13 to U15.5 Grades, with most players continuing their development within the Club.

To strengthen culture and connection, juniors will have more opportunities to come together socially and to celebrate their achievements. These gatherings will soon be supported by our new clubrooms, currently under construction and scheduled to open in 2027. With upgraded pitches at Parkinson Oval and ongoing work to enhance training facilities, the future of our junior program is exceptionally bright.

We encourage all players and families to stay connected, to support one another and to enjoy being part of the wider Kensington community.

Thank you to the entire junior community for your commitment and passion. We look forward to another successful season ahead.

Matt Neagle — Junior Coordinator

Ben Johnswood — Junior Head Coach

SECRETARY'S REPORT

The 2025/26 season was another very successful one for the Club. The men's 1st Grade team won its second successive premiership in the Division 1 two-day competition, this time from the somewhat safer (as it turned out in the grand final) position as minor premier in comparison to last season's win from fourth position at the end of the minor round. This was the Club's 20th A/1st Grade premiership. The men's 1st Grade team won its second premiership in the T20 competition. Our women's 1st Grade team won the T20 competition premiership, its fifth premiership in that competition. Our women's 2nd Grade team continued its long run of success, winning its first premiership in the 40 over competition and its fourth consecutive (and sixth in all) premiership in the T20 competition. Our U14 boys' team had a magnificent season, winning the premiership and being undefeated throughout the season. The many awards won by individual players were highlighted by Sarah Lowe winning yet another Karen Rolton Medal.

The 2025/26 season was the third season played under the two-division structure in the men's 1st Grade competition. The completion of the 2025/26 season saw the relegation of Tea Tree Gully and Woodville to Division 2 and the return of Glenelg and Adelaide University to Division 1. During the 2025/26 season, the SACA Board of Management commissioned the Strategic Cricket Committee (one of the Board's sub-committees) to undertake a review of the two-division structure, with particular reference to the rules for relegation and promotion between the two divisions. As a result of the recommendations emanating from that review, there will no longer be a finals series played in Division 2. Instead, the team finishing eighth in the minor round in Division 1 will automatically be relegated to Division 2, and the minor premier in Division 2 will automatically be promoted to Division 1. The team finishing seventh in the minor round in Division 1 will play a match against the team finishing second in the minor round in Division 2. If the team which finished seventh in 1st Division wins that match, or if there is no result in that match, that team will remain in Division 1. If the team which finished second in the minor round in Division 2 wins that match, that team will be promoted to Division 1, and the team which finished seventh in the minor round in Division 1 will be relegated to Division 2. As has been the case in previous seasons, the SACA U19 team will not be eligible for promotion to Division 1, and so will not be eligible to participate in the new arrangements and will remain in Division 2. If the SACA U19 team finishes first or second in the minor round in Division 2, it will be replaced in the new arrangements by the team which finished immediately below it in the premiership table at the end of the minor round.

The Club achieved the following team honours this season:-

- the men's 1st Grade Division 1 premiership;
- the men's 1st Grade T20 competition premiership;
- the women's 1st Grade T20 premiership;
- the women's 2nd Grade 40 over premiership;
- the women's 2nd Grade T20 premiership;
- the girls' U18 Youth Premier League premiership; and
- the boys' U14 premiership.

In addition, numerous KDCC players won individual awards. Details of these awards appear a little later in my report.

To the best of my knowledge, the following members of the Club achieved the honour of playing representative matches during the 2025/26 season:-

Australia A v. Sri Lanka (July 2025)	Jason Sangha Henry Thornton
Australia A v. India (September 2025)	Henry Thornton
Cricket Australia - Australia Gold v. Australia Green	Courtney Neale Bridget Patterson Maddie Penna
Australia U19 team – tour to Sri Lanka (September 2025)	Indira Panelli
SA Redbacks Team (Sheffield Shield, One Day Cup)	Wes Agar Henry Hunt Jake Lehmann Lloyd Pope Jason Sangha HenryThornton
SA Scorpions (Women's National Cricket League)	Bridget Patterson (vc) Emmerson Filsell Courtney Neale Maddie Penna
SA Futures League Team (2nd XI)	Wes Agar Cameron Fatchen Henry Hunt Jake Lehmann Harry Matthias Lloyd Pope Henry Thornton
SA Women's Second XI	Emmerson Filsell Grace Jones Courtney Neale Indira Panelli
SA U19 Team (National Male Championships)	Taite Brook Ryan Percival Jay Temme
SA U17 Team (National Male Championships)	Rayan Bihari Taite Brook Taj Panelli Archah Parisi
SA U19 Team (National Female Championships)	Teju Jayaprakash Tessie Kennedy Indira Panelli
SA U16 Team (National Female Championships)	Abby Bain Olivia Temme
SA Team (National Country Championships)	Abby Collihole

SA School Sports U15 Team	Abby Bain Phoebe Taylor Olivia Temme
SA School Sports (male)	Sahaj Challa Anhad Singh Dhillon Param Pandya Noah Pittman Talish Singh
SA School Sports (female)	Gopika Pandit
Australian Team (Over 40s T20 World Cup)	Jamie Panelli (captain) Mark Cleary

Sarah Lowe won her second successive, and a record fourth, Karen Rolton Medal for the best player in the 1st Grade 50 over competition.

Eliza Doddridge won her second Shelley Nitschke Medal for the best player in the 1st Grade T20 competition.

In his first season with the Club, Harry Matthias won the Fred Godson Medal for the best player in the 1st Grade West End One Day Cup competition.

Shae Daly won her third Joanne Broadbent Fielding Trophy for the best fielder in the 1st Grade competition.

Christian Leddicoat won the Talbot Smith Fielding Trophy for the best fielder in the 1st Grade competition.

Lloyd Pope won the David Hookes Medal for the player of the match in the grand final of the 1st Grade Division One two day competition.

Bridget Patterson won her second Lauren Ebsary Medal for the player of the match in grand final of the 1st Grade T20 competition.

Alex Ross won the Player of the Match Medal in the grand final of the 1st Grade T20 competition.

Shiv Channa won the K C Butler Medal for the best player in the men's 2nd Grade competition.

Cameron Fatchen won the award for the best bowling aggregate (39 wickets) in the minor round in the men's 1st Grade two day competition.

Jaikar Singh won the award for the best batting aggregate in the U18 Shield competition and was also named in the Team of the Year for that competition.

In the girls' U18 Youth Premier League competition, Niamh Walsh won the fielding trophy, Jade Gersch won the wicket-keeping trophy, and Gopika Pandit was named in the Team of the Year for that competition.

Nathan East won the award for the best bowling aggregate in the U15.5 Grade competition.

Jake Lehmann won the award from Cricket Australia for the Domestic Player of the Year.

Henry Hunt won the James Irwin Award for South Australia's leading run scorer in the Sheffield competition.

Lloyd Pope was second to Liam Scott in the award for the most valuable player for the Adelaide Strikers in the BBL competition.

As noted earlier in my report, Taite Brook, Ryan Percival and Jay Temme were all selected in the SA team which played in the National U19 Championships in Perth in December 2025. Not only was Jay named in the Team of the Tournament for the carnival, but he also won SACA's award for the best SA bowler. The SA team won the final of that tournament, defeating Victoria, giving SA its first title in that tournament in 13 years,

Olivia Napier was selected in the ATCA Team of the Year.

Following completion of the Australian School Sports Championships in Perth, Noah Pittman was selected in the Team of the Year for the carnival.

The Panelli family deserves a section of my report all to itself! As noted earlier, Indira was selected in the SA U19 team, and Taj was selected in the SA U17 team, for the respective National Championships. As will be seen later in this annual report, Taj features prominently in the list of junior trophy winners. Indi was the leading run scorer in the female carnival (355 runs at an average of 39.44), and was the only SA player chosen in the Team of the Championships. Indi also won SACA's award for the best SA batter. Shortly after completion of that carnival, Indi was selected in the Australian U19 team. Jamie was captain of the Australian team which played in the Over 40s T20 World Cup in Pakistan in December 2025, ultimately winning the grand final of that competition. Jamie took a hat trick in the semi-final, while Mark Cleary took five wickets in the grand final and was named in the Team of the Tournament.

There were two individual performances which I wish to record. The first is the bowling of Cameron Fatchen in the first round of the two day competition, when he took 8/64 from 15.2 overs in the match against Tea Tree Gully. To the best of my knowledge, these were the best bowling figures for the Club since Tim May took 8/53 in the A Grade grand final against Glenelg at Adelaide Oval in the 1985/86 season. The second, and perhaps even more striking (in every sense of that word), was the batting performance by Zac Grice in Round 16 in the 4th Grade one day competition. Kensington scored 5/358 in its allotted 40 overs, of which Zac made 259no. Zac opened the batting, faced 128 deliveries, and scored 14 fours and 24 sixes. As far as I am aware, this was the highest score made by a Kensington batsman since Jason Morgan made 244 in the A Grade grand final against Sturt at Adelaide Oval in the 2001/02 season, and also the second highest score ever made by a Kensington batsman. As everyone is probably aware, the honour of making the highest score for the Club belongs to Don Bradman, with his 303 made against Glenelg at Kensington Oval in 1939. By way of contrast, the Don scored his runs in a Kensington total of 5/439 scored in just 238 minutes. He came in at 1/5, was dismissed at 5/419, hit 41 fours and just the one six, and his innings lasted 226 minutes (deliveries faced were not recorded in those days).

While on the matter of significant milestones, I am informed that Russell Thompson is now the most successful senior men's coach in the Club's history, and that Josh Doyle and Lloyd Pope have each played in five Club premiership teams. Congratulations to all of them!

In the men's 1st Grade Division 1 competition, Noah McFadyen (Adelaide) won his second consecutive Bradman Medal, polling 30 votes. Cameron Valente (Port Adelaide) was second, with 28 votes, and Cameron Fatchen was third, with 24 votes.

In the men's 1st Grade Division 2 competition, the winner of the Sincock Medal was Jake Winter (Glenelg), who polled 23 votes. Tom Menzies (Adelaide University) was second, with 19 votes, and Isaac Higgins (Glenelg) and Sam Kerber (Adelaide University) tied for third, each with 18 votes.

As I have mentioned in recent annual reports, there used to be an award (the Bradman Medal Team Award) for the club whose players collectively polled the most votes in the Bradman Medal count. With the introduction of the two Divisions in 1st Grade, and the consequential decision to award a separate medal for the best player in Division 2, it was decided that there should be an award (simply

called the Team Award) for the team whose players collectively polled the highest number of votes in the Bradman Medal and Sincock Medal counts. This year, the Team Award was won by Glenelg, with 105 votes. Port Adelaide was second, with 82 votes, and Adelaide University was third, with 76 votes. Kensington was fifth, with 62 votes.

As mentioned earlier in my report, Harry Matthias won the Fred Godson Medal, which recognises the best player in the men's 1st Grade West End One Day Cup competition, polling 12 votes. Jesse Arthur (Glenelg) and Noah McFadyen (Adelaide) tied for second place, each polling 11 votes.

Harry Manenti (West Torrens) won the Darren Lehmann Medal, which recognises the best player in the men's 1st Grade T20 competition, polling 23 votes. Jake Winter (Glenelg) was second, with 16 votes, and Kyle Brazell (Tea Tree Gully) and Sam Kerber (Adelaide University) tied for third, each with 15 votes. Sam Rahaley was Kensington's highest vote-winner, polling 11 votes.

Isaac Conway (Port Adelaide) won his third successive C W Walker Wicketkeeping Trophy (men's 1st Grade competition), with 172 votes. Tom van der Jeugd (Tea Tree Gully) was second, with 166 votes, and Will Foley (Woodville) was third, with 159 votes. Harry Matthias polled 113 votes, and Darcy McRostie polled 42 votes.

Christian Leddicoat won the Talbot Smith Fielding Trophy (men's 1st Grade competition), with 42 votes. Kane Halfpenny (Tea Tree Gully) was second, with 40 votes, and Sam Kerber (Adelaide University) was third, with 31 votes.

Josh Doyle (as captain) and Cameron Fatchen were named in the men's Premier Cricket Team of the Year, and Russell Thompson was again named coach of the team. The division of the men's 1st Grade competition into two divisions is ignored for the purpose of selecting this team. The players selected in the team were Zac McCabe (Port Adelaide), Connor Carroll (Adelaide), Noah McFadyen (Adelaide), Josh Doyle (captain), Jake Winter (Glenelg), Isaac Higgins (Glenelg), Joshua Barrett (East Torrens) (wicketkeeper), Cameron Valente (Port Adelaide), Cameron Fatchen, Hanno Jacobs (Sturt), Marcus Lee (Glenelg) and Zac Keogh (East Torrens). As mentioned, Russell Thompson was selected as coach of the team.

Sarah Lowe (as captain), Elsa Barnfather and Shae Daly were named in the women's Premier Cricket Team of the Year, and Jamie Panelli was named coach of the team. The players selected in that team were Morgan Pires (Adelaide), Elizabeth Worthley (Sturt), Kate Peterson (Glenelg), Sarah Lowe (captain), Alex Price (Sturt), Elsa Barnfather, Kayla McGrath (Glenelg), Matilda Maitland (Sturt), Nicole Hobbs (Sturt), Tahlia Keylock (Sturt), Ellie Phillips (Glenelg) and Shae Daly. As mentioned, Jamie Panelli was selected as coach of the team.

The Jason Gillespie Medal, the award recognising the men's Grade Cricket Rising Star for the season, was won by Hayden Barbulovic (Tea Tree Gully/SACA U19s).

Ryan Percival (ten matches), Taite Brooke (three matches) and Archah Parisi (three matches) were selected to play for the SACA U19s in the 1st Grade Division 2 competition.

The LMS and GS Hargrave Trophy, the award recognising the best U23 player in the men's 1st Grade competition, was won by Noah McFadyen (Adelaide) for the second year in succession.

As mentioned earlier in my report, Shiv Channa won the K C Butler Medal (men's 2nd Grade), polling 21 votes. Jayson Bartolo (Glenelg) was second, with 18 votes. Ratna Rahul Reddy Evuri (Glenelg) and Thomas Smith (West Torrens) tied for third, each with 16 votes.

The winner of the Sid Daly Medal (men's 3rd Grade) was Henry Goold (East Torrens), polling 22 votes. Nicholas Cuconits (Tea Tree Gully) was second, with 20 votes, and Blake Kenny (East Torrens) was third, with 18 votes. Kensington's highest vote-winner was Michael Davies, polling 16 votes.

The winner of the McLeod/Wilson Medal (men's 4th Grade) was Michael Whittington Arnold (East Torrens), polling 27 votes. Jack O'Sullivan (Adelaide) was second, with 25 votes, and Kishna Mittal

(Adelaide) was third, with 22 votes. Kensington's highest vote-winner was Sangam Gautam, polling 14 votes. James Ashby (Port Adelaide) also polled 27 votes, but was ineligible due to suspension.

As mentioned earlier in my report, Sarah Lowe won her fourth (and second consecutive) Karen Rolton Medal, polling 19 votes. Tahlia Haylock (Sturt) was second, with 18 votes, and Morgan Pires (Adelaide) was third, with 16 votes. Shae Daly was equal fourth (with one other player), polling 15 votes.

Again as mentioned earlier in my report, Eliza Doddridge won her second Shelley Nitschke Medal for the Player of the Series in the women's 1st Grade T20 competition, polling 19 votes. Morgan Pires (Adelaide) was second, with 18 votes, and Shae Daly was third, with 14 votes.

Kayla McGrath (Glenelg) won the Marg Jude Wicketkeeping Trophy for the women's 1st Grade competition, polling 149 votes. Elizabeth Worthley (Sturt) was second, with 148 votes, and Rachel Church was third, with 132 votes. Bridget Patterson polled 41 votes.

As mentioned earlier in my report, Shae Daly won her third Joanne Broadbent Fielding Trophy for the women's 1st Grade competition, polling 50 votes. Alex Price (Sturt) was second, with 34 votes, and Kate Peterson (Glenelg) was third, with 29 votes.

The winner of the Lyn Fullston Medal for the women's 2nd Grade competition was Emma Patel (Adelaide University), with 27 votes. Samantha McKenzie (Adelaide) was second, with 26 votes, and Mackenzie McCauley (West Torrens) and Maddy Willoughby (Adelaide) tied for third, each with 24 votes. Abby Bain and Jeju Jayaprakash were the highest vote-winners for Kensington, each polling 15 votes.

Glenelg won the Scrymgour Trophy for the SACA Club Championship, which aggregates the match points for the 1st, 2nd, 3rd and 4th Grade men's teams for each club. The division of the men's 1st Grade competition into two divisions is ignored for the purpose of calculating points for this trophy. Glenelg's points totalled 615. Sturt was second, with 545 points, and Adelaide University was third, with 517.5 points. Kensington was fourth, with 510 points.

Adelaide University won the Spirit of Cricket Award for senior men's cricket and West Torrens won the Spirit of Cricket Award for the women's grades. I was not able to ascertain which club won the Spirit of Cricket Award for the junior boys' grades.

Glenelg, with 292.5 points, again won the President's Trophy, which is awarded annually to the most successful club in the women's Premier Cricket competition. Kensington was second, with 232.5 points.

Results from the award of medals in the various Grades were as follows:-

Bradman Medal (Men's 1st Grade Division 1)

Winner	N McFadyen (Adelaide)	30
Highest vote-winner for KDCC	C Fatchen	24
Highest club total	Port Adelaide	82
KDCC total		62
Lowest club total	Woodville	36

Sincock Medal (Men's 1st Grade Division 2)

Winner	J Winter (Glenelg)	23
Highest club total	Glenelg	105
Lowest total	SACA U19	28

Fred Godson Medal (West End One Day Cup)

Winner	H Matthias	12
Highest club total	Port Adelaide	38
KDCC total		36
Lowest club total	Woodville	10

Darren Lehmann Medal (West End T20 Cup)

Winner	H Manenti (West Torrens)	23
Highest vote-winner for KDCC	S Rahaley	11
Highest club total	West Torrens	58
KDCC total		48
Lowest club total	Southern District	17

K C Butler Medal (Men's 2nd Grade)

Winner	S Channa	21
Highest club total	East Torrens	87
KDCC total		67
Lowest club total	Prospect	40

Sid Daly Medal (Men's 3rd Grade)

Winner	H Goold (East Torrens)	22
Highest vote-winner for KDCC	M Davies	16
Highest club total	KDCC	92
Lowest club total.	Southern District	30

McLeod/Wilson Medal (Men's 4th Grade)

Winner	M W Arnold (East Torrens)	27
Highest vote-winner for KDCC	S Gautam	14
Highest club total	Adelaide University	142
KDCC total		91
Lowest club total	Woodville	35

Karen Rolton Medal (Women's 1st Grade)

Winner	S Lowe	19
Highest club total	KDCC	93
Lowest club total	West Torrens	40

Shelley Nitschke Award (Women's 1st Grade T20)

Winner	E Doddridge	19
Highest club total	KDCC	73
Lowest club total	West Torrens	10

Lyn Fullston Medal (Women's 2nd Grade)

Winner	E Patel (Adelaide University)	27
Highest vote-winners for KDCC	A Bain & T Jayaprakash	15
Highest club total	Adelaide	107
KDCC total		104
Lowest club total	Port Adelaide	42

In my reports in previous annual reports, I have mentioned the list of "cap numbers" for players, both men and women, who have played SACA A/1st Grade cricket for the Club. The cap numbers record, in chronological order, the players' A/1st Grade debut for the Club. Both lists appear on the Club's website. The players, who made their debut for the men's 1st Grade team this season, were Harry Matthias (cap number 448), Jay Temme (449), Ethan Bamber (450) and Jaikar Singh (451). The players, who made their debut for the women's 1st Grade team this season, were Grace Jones (cap number 116), Maddie Penna (117), Ellen Watson (118), Hannah Taylor-Yeates (119) and Tessie Kennedy (120).

Don Looker died on 8 September 2025, aged 102. Don was the last surviving member of the Club's 1945/46 A Grade premiership team, having made his A Grade debut for the Club (cap number 85) in November 1941. Don enlisted in 1942 and was posted to Royal Air Force Bomber Command in Britain. He flew 38 missions over Occupied Europe (the usual tour of duty was 30 missions) as a wireless operator/air gunner with 115 Squadron RAF, flying on his final mission on 9 April 1945. Don

re-joined the Club after the war ended and played in the 1945/46 season, batting at number 4 (after Neil Dansie at 3 and before Bruce Bowley at 5) in the A Grade team. The Club's second A Grade premiership was the ultimate team effort from a side comprising mostly war veterans who returned to playing almost immediately after being demobilised. (I am indebted to Andrew Faulkner for providing all these details regarding Don.)

Grant Stephens died on 10 September 2025. His death was not announced publicly. Grant played for the Club in both junior and senior teams. He was a Club vice-president from 1992/93 until his death, being the unofficial "chairman" of the vice-presidents from 1999/2000 onwards.

Kay Pittman died on 2 December 2025 at the age of 93. Kay was the widow of Brian, and they were the parents of Mark, Ken and David. Brian, Mark, Ken and David all played for the Club at various times, with Brian having the longest and most illustrious career with the Club – he is still fourth on the list (with 5,184 runs) of those batsmen who have made over 1,000 runs in A/1st Grade for the Club. Brian, addition to his playing career, served on the Club's management committee for many years, including quite a number as honorary treasurer, and was elected a life member of the Club in 1971. Throughout all of the time during which Brian and the boys were involved with the Club, Kay was a dedicated and loyal volunteer for and supporter of the Club.

Chris Bills died on 18 March 2026 at the age of 82. Chris was a very good medium pace bowler and a prolific wicket-taker for the Club, mainly at B and C Grade level, in the 1970s. Chris' brother Andrew also played for the Club and is still to be seen at Club matches and functions. I had the pleasure of playing many C Grade matches with Chris.

Peter Rice (my brother) died on 25 March 2026 at the age of 88. Peter had a long involvement with the Club, having joined the Club at the start of the 1962/63 season after completing his medical studies at the University of Adelaide. He played for the Club from then until the end of the 1989/90 season, making his A Grade debut for Kensington (cap number 171) as wicket-keeper in the 1962/63 season, having previously played A Grade for Adelaide University for several seasons. He was elected a life member of the Club in 1982 and served as a Club vice-president from 1991/92 until 1998/99. Peter's grandson Henry played for the Club's junior teams. One of the joys of my playing career with Kensington was playing with Peter in the Club's ATCA team for ten or so seasons, highlighted by our premiership in the A5 Grade of the ATCA competition in 1981/82. Peter and Chris Bills would almost certainly have been team-mates in some Kensington matches.

David Harford died on 7 June 2026 at the age of 72. David was a passionate and enthusiastic supporter of the Club for more than 25 years and served as a Club vice-president from 2014 until 2024. David's company Northline has been a major sponsor of the Club from the 2002/03 season until the present time and has, over the years, employed several former Kensington players. David's son James played for the Club in both junior and senior teams, making his A Grade debut (cap number 348) in the 2002/03 season.

Basil Sellers, who is the brother of Rex Sellers, was made an Officer of the Order of Australia (AO) in the Australia Day Honours List in January 2026, having previously been made a Member of the Order of Australia (AM).

Daniel (Frankie) Worrall, who finished his playing career with the Club at the end of the 2021/22 season, was named as one of Wisden's Five Cricketers of the Year for 2025. Daniel now plays for Surrey, having previously played for Gloucestershire.

I acknowledge the contribution to my report which comes from the PlayHQ reporting system and from SACA's records etc, and my reliance on information available from SACUSA (the South Australian Cricket Umpires' and Scorers' Association).

In the context of Club records, I must apologise to Josh Doyle for a mistake in the statistics recorded in last year's annual report. In the list of batsmen who have made more than 1,000 runs for the Club in A/1st Grade, I showed Josh's total as 2,589 (in 29th place), whereas his total should have been 3,027 (in 24th place). I wish to thank Josh for discovering this mistake and pointing it out to me. I

am confident that the figures in the list, which is at the end of this year's annual report, are now correct!

I take this opportunity once again to thank all the volunteers who helped the Club in any way this year. Our Club is very much dependent on you for its continued success.

Tony Rice

CENTURION CLUB MEMBERSHIP REPORT

There were 43 individuals who joined the Centurion Club membership group for the season. this was up from “not very many’ in the previous year. Members ranged from former players, parents of junior players (past and current), life members, vice-presidents and local residents. Three gatherings were held during the season, while the clubrooms were still standing. The cheese spreads at these gatherings proved to be very popular!

It is my intention to build the numbers in this group for next season, and again in readiness for the 2027/28 season, which will be our first full season in our new clubrooms. The support of members this year is appreciated. Onwards and upwards!

Daryl Schramm

Convenor

CLUB TROPHY WINNER

Keith Hodder Memorial Trophy for Most Valuable Club Member	Michael Davies

TROPHY WINNERS

SENIOR MEN

	Batting	Bowling
SACA 1st Grade	Josh Doyle	Cameron Fatchen

KENSINGTON DISTRICT CRICKET CLUB INC

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30th JUNE, 2026

NOTE 1: STATEMENT OF ACCOUNTING POLICIES

This financial report is a special purpose financial report prepared to satisfy the financial report preparation requirements of the Associations Incorporation Act 1985.. The Committee has determined that the Club is not a reporting entity.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values.

Income Recognition

Grant Monies received but not expended has been recognized as a liability rather than as income in the year of receipt. The amounts received are recorded in the Balance Sheet as amounts not expended until such time as the funds are expended on the building project.

Income Tax

The Club is not liable to pay income tax.

KENSINGTON DISTRICT CRICKET CLUB INC.

COMMITTEE DECLARATION

In accordance with a resolution of the Committee for Kensington District Cricket Club Inc. we state that:

In the opinion of the committee:

(a) the financial statements of the association are in accordance with the Associations Incorporation Act 1985, and present fairly the Club's financial position as at 31 May 2026 and of its performance for the year ended on that date; and

(b) there are reasonable grounds to believe that the Club will be able to pay its debts as and when they become due and payable.

Committee Member

Committee Member

Signed this 20th day of October, 2026

INDEPENDENT AUDITOR'S REPORT

To the members of Kensington District Cricket Club Inc

Report on the Audit of the Financial Report

I have audited the accompanying financial report, being a special purpose financial report of the Kensington District Cricket Club Inc., which comprises a Statement of Receipts and Payments for the Cricket Account for the financial year ended 31st May, 2026.

Basis for Qualification

As is common for organizations of this type, it is not practicable for the Kensington District Cricket Club Inc to maintain an effective system of internal control over monies received until their initial entry in the accounting records. Accordingly, my audit in relation to receipts was limited to amounts recorded.

Auditor's Qualified Opinion

In my opinion, subject to the effects of such adjustments, if any, as might have been determined to be necessary had the limitation discussed in the qualification paragraph not existed, the financial report of the Kensington District Cricket Club Inc presents fairly, in all material respects, the results of the Association's Cricket Account operations for the year ended 31st May, 2026 and the balance of the Cricket Account as at that date.

Basis for opinion

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of my report. I am independent of the entity in accordance with the *Associations Incorporation Act (SA) 1985* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the Code.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Emphasis of Matter - Basis of Accounting

Without modifying my opinion, I draw attention to Note 1 of the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the Board's financial reporting responsibilities under the *Associations Incorporation Act (SA) 1985.* As a result, the financial report may not be suitable for another purpose.

Responsibility of the Committee of Management for the Financial Report

The Committee of Management responsible for the preparation and fair presentation of the financial report in accordance with the requirements of the *Associations Incorporation Act (SA) 1985* and for such internal control as the Committee members determine is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error. In preparing the financial report, the directors are responsible for assessing the Club's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the Committee members either intend to liquidate the Club or to cease operations, or have no realistic alternative but to do so.

The Committee of Management is responsible for overseeing the Club's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

My objective is to obtain reasonable assurance about whether the financial report, as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that audits conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with Australian Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our [my] opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

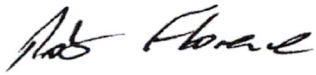

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the registered entity's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by responsible entities.

- Conclude on the appropriateness of the entities' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the registered entity's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

I communicate with the Committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

Rob Florence, FCPA
